Your Daily Forecast begins on the next page. The Forecast is self-explanatory: an astrological forecast for each day is given.

You may notice that to the right of the date is a code, such as "Mer Tri Jup". This code indicates the astrological influence that is in effect on that day and is causing the astrological influence. You can ignore this code; it is printed in case you are interested in the astrological basis of the interpretation.

Most interpretations are short, about one paragraph. But occasionally an interpretation that is several paragraphs long may be printed. These longer interpretations are very strong and may affect you for several days before and after the date on which they occur.

On most days there are several astrological influences in effect.

In case you are interested in astrological theory, here is some more information on how your Daily Forecast is produced: First, all of the major astrological influences on a given day are determined, and then the major aspects of transiting planets, except the Moon, are printed. If there are no major aspects, then a minor aspect or lunar transit is interpreted. By using this method, all major influences that occur on each day are described and on a day when there are only minor influences, the most important of these minor influences is printed. By selecting the more dominant influences of the day, your Daily Forecast focuses on the most powerful influences of each day so that you pay attention to those issues which are most conspicuous and relevant to you each day.

We hope you enjoy your Daily Forecast. Remember that astrology is not fatalistic. Astrological influences are real and they are powerful (we are certain of this, although of course many skeptics disagree), but you have the free will to make the best of what life serves up to you each day. We hope that your Daily Forecast will assist you in making the best possible decisions and will help you feel more confident and clear about how to best deal with the circumstances and situations you encounter.

For the benefit of astrologers, some technical details are given below.

Monday, Mar 2, 2009 Moon Sqr Sun

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Tuesday, Mar 3, 2009 Merc Qucnx Mars

Your mind is on accomplishment and action, and there is a competitive edge in your speech or manners. You may be brusque, even rude, especially with people who are taking up your time unnecessarily. Be careful while running errands, particularly in traffic. Your sense of timing is a bit off and combined with your impatience, you could have an unfortunate run-in.

Wednesday, Mar 4, 2009 Moon Sesqu Sat

Duties and obligations seem burdensome or at least emotionally restricting to you, and you may feel self-pity or temporarily down in the dumps. You are not in a sociable, gregarious mood no matter what surroundings you find yourself in.

Thursday, Mar 5, 2009 Merc Oppos Ura

This time is filled with stimulating discussions about controversial topics, unusual or offbeat ideas, or "crazy" schemes. The tempo of your life increases and may leave you feeling frazzled. Because you are quite restless, you may do or say things in haste that you will regret later.

Friday, Mar 6, 2009 Sun SSqr Jup

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Saturday, Mar 7, 2009 Sun Sesqu Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Sunday, Mar 8, 2009 Merc Sqr MC

This is a time for you to speak out about your thoughts or concerns regarding your work or professional matters. Communication with your superiors or with people in authority who are in a position to consider and act on your ideas comes to the fore now.

Monday, Mar 9, 2009 Mars Oppos Ura

You are very bold and adventurous right now and you cannot tolerate delays, restrictions, or any form of authority that prevents you from behaving exactly as you please. Your drive for personal freedom and insistence on your rights is pressing, and a confrontation in which you have to stand up for yourself is likely. Rashness, sudden acts of anger or violence, and a tendency to try to do too much too fast are tendencies you need to carefully monitor at this time.

Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Tuesday, Mar 10, 2009 Merc Sqr Moon

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

Wednesday, Mar 11, 2009 Moon Conj Mars

Your sexual and aggressive energies are stimulated, and you take the initiative. Emotional outbursts and impatience are also likely. You're in a combative, energetic mood.

Thursday, Mar 12, 2009 Ura Oppos Mars

Courageous and undaunted, you step boldly forth, assert yourself, and charge ahead. If you are normally shy and receding, you will burst out of your shell now. If you are a strong and aggressive person, then you will try to take full command of every aspect of your life and force weaker personalities to submit to you and support you.

Impatient and dynamic, you work feverishly to bring projects that have been ongoing for some time to a rapid completion. You take on Herculean tasks and expect to accomplish them almost overnight. You feel tired of waiting for the things you want, and you charge forth to claim them. Find a task to do and do it! This is one of the

worst times to take a relaxing vacation because you won't be able to relax; you have too much that you want to do right now. If you do vacation, activities like sky diving or white water rafting suit your taste now.

This can be a volatile and explosive time. If you have a bad temper, then you will need to do everything possible to stay in control of yourself at this time. Pent up anger and hostility surfaces, and relatively minor things can cause you to become upset and angry. You are particularly prone to arguments, disagreements, and power struggles with others. You are inclined to not realize how pushy you are, and others may rebel against you. Make bold steps forward now and work hard, but try not to be inconsiderate of others in the process. Energetic physical activity is almost a must and will make you feel better and accomplish more.

Also, you may attract domineering people to yourself, and you may need to assert yourself. This problem is particularly likely if you try to repress and deny the powerful energies that you are dealing with now. Be forthright and direct (that should be easy) but also try to be tactful too (which is not so easy).

Your daredevil attitude may cause you to try dangerous activities or take risks that you normally would not consider. Do be reasonable, however, as your impatience and boldness makes you more accident-prone than usual.

Business decisions and career decisions now tend to be too risky and also warped by your impatient need to accomplish everything in an unrealistically short amount of time.

Friday, Mar 13, 2009 Merc Oppos Plu

This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Pat answers and superficialities don't suffice now. You can be too intrusive or overbearing when stating your point of view.

Sun Oppos Mars

You are contentious, argumentative, and impatient now. Disagreements erupt because you aren't willing to overlook minor irritations as readily as usual. Confrontations with others may be fruitful if you don't allow your anger to get out of control. You are highly competitive at this time.

Mars Sqr MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own without trying to force others to agree with you or join you.

Saturday, Mar 14, 2009 Merc Trine Nep

You are inspired creatively, artistically, or spiritually at this time. Your imagination, intuition, and psychic sensitivity are high now, and you find yourself wanting to paint or listen to music, daydream, or fantasize rather than concentrate on practical matters.

Sunday, Mar 15, 2009 Sun Sxtil Sat

Your ability to concentrate and focus on your work is very good now. This is a time to attend to details, take care of practical business, and to make your life more stable and secure. It would be beneficial to consult advisors on investments and long-range plans and to put your affairs in order. Eliminating waste and inefficiency is important to you now.

Monday, Mar 16, 2009 Mars SSxt Jup

Doors open and new opportunities for personal and professional growth present themselves. Any initiative or action you feel inclined to take at this time is likely to lead to a positive outcome for you. Partnerships or joining with others for mutual benefit is favored. Your energy level is high; this is a good time for athletics, especially team sports.

Tuesday, Mar 17, 2009 Mars Trine Ven

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Wednesday, Mar 18, 2009 Ven Trine Sun

Relaxation, enjoyment, and pleasure are emphasized now. This is not a time to push yourself or to be involved in activities that require intense competition or a great expenditure of energy. Cooperative, harmonious personal and professional relationships are more important to you at this time. You feel like socializing and being friendly.

Thursday, Mar 19, 2009 Sun Trine MC

Your career, reputation, public standing, or important personal goals gain momentum now. Your superiors or those in a position to support or further your aims are positively disposed toward you at this time. An important victory or success can be achieved.

Mars Sqr Moon

At this time you are prone to irritability, temper tantrums, and flying off the handle for slim reasons. You are also impatient and inclined to rush unnecessarily, which can cause accidents or bruised feelings on the part of the people you live with or work closely with. You are in a fighting mood and stand up for your rights more readily than usual, but beware of the tendency to be abrasive and insensitive.

Friday, Mar 20, 2009 Jup Sesqu Ven

Work and other responsibilities are particularly irksome to you at this time. You feel like it is "play time" and you want to get out, laugh, play, and sing. Parties and social gatherings also appeal to you now, and you enjoy meeting new people. You are in a festive mood, and your happy mood is contagious; others join in the fun with you. This is a wonderful time to have a party, engage in team sports, or vacation. Hard work and concentrated effort are difficult for you now, and productivity at work is likely to decrease, particularly if your line of work requires concentrated effort.

You have little control of your emotions at this time. You will spend more money than you should and eat more than you should. But you will enjoy it! Hopefully, you do not go overboard to the extent that you seriously regret your purchases and excesses afterward.

One thing that can rub you the wrong way right now is restrictions and responsibilities. If your spouse, family member, or close friend makes a lot of demands on you, then you will feel exceedingly uncomfortable and find it hard to understand why they just can't drop their concerns and have some fun.

Saturday, Mar 21, 2009 Sun Sxtil Jup

Agreements, contracts, and joining your efforts with others will work out very much to your advantage now. A friend or person in authority may offer help or present an opportunity which will benefit you now or in the future. Also, you will reap rewards later for the generosity and aid you extend to others at this time.

Nep Oppos Ura

Inspiration, eccentricity, and imagination are the key issues for this time period. You are likely to feel the urge to do something completely out of character now. Don't fight the urge. Let yourself be a little "crazy"; this is a good time to break out of your accustomed ways of acting and be more humorous or eccentric.

Your imagination is charged now. Any artistic endeavors are imbued with a new spirit of originality and inspiration. Your thinking is much less conservative and cautious now, and you can tap intuitive and creative resources that will surprise even yourself. Your ability to improvise is especially strong. Don't restrain yourself; break out of the usual constraints to your ingenuity and creativity.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. Your political and social idealism is also stirred, and you may become active in altruistic or idealistic social reform.

Be careful, however, in practical affairs. You find it difficult at times to control your enthusiasm about progressive and unusual ideas. However, your ideas tend to be less realistic and practical than you realize. In short, business decisions and career decisions tend to be unrealistically optimistic.

Merc Oppos Mars

You are very impulsive and restless now and you are likely to act or speak too quickly without sufficient forethought or concern for the consequences. You tend to be verbally aggressive, starting fights with people who don't agree with you or who simply get in your way. Positively, you are very sharp and clear mentally at this time and can attack problems and tasks with great vigor.

Sunday, Mar 22, 2009 Sun Sqr Ven

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Sun Trine Merc

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

Monday, Mar 23, 2009 Merc Sxtil Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Sun Sxtil Moon

Support from close friends, family, and the women in your life gives you confidence now. This is a good time to mend fences and ameliorate problems in your home life.

Tuesday, Mar 24, 2009 Mars Oppos Plu

Your personal ambitions and drive to assert yourself and make an impact on the world meet with considerable opposition now. Other people or external forces over which you have no control seem to subtly undermine your efforts - or try to overpower you altogether. You need to stand up for yourself, perhaps in a David-and-Goliath type of situation. If you have been unscrupulous or overly egotistical and selfish in your pursuits, you are likely to get your comeuppance now.

Wednesday, Mar 25, 2009 Merc Trine MC

At this time you put extra energy into thinking about and organizing your work and professional life. Decisions you make at this time are likely to work out well, as you are clear and objective. Gathering information regarding your career or long-range goals is also favored.

Thursday, Mar 26, 2009 Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Merc Sxtil Jup

You are optimistic, hopeful, and forward-looking at this time. You can see connections and possibilities you may have overlooked before. Now is a time for communicating your enthusiasm, sharing your plans and dreams, and also being more receptive to others' thoughts and points of view. Contracts, negotiations, and business dealings of all kinds are favored now.

Jup Conj Asc

You feel confident, optimistic, and have faith in yourself to be able to come forth and be successful. You project yourself with confidence at this time, and you receive a welcome response from others. For example, if you are a writer, you are likely to have your material published at this time; if you are an artist, a successful exhibit of your work may be given; or if you are in sales you may give a successful presentation to a very large group. You receive attention and are now able to reach a wider audience. This is a good time for promoting or advertising yourself, your creative work, or products. The only negative tendencies are the possibility of being overly optimistic and consequently failing in a major undertaking, or being a little arrogant, self-centered, or materialistic.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Merc Sqr Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Friday, Mar 27, 2009 Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Merc Sxtil Moon

You feel inclined to speak to others about your innermost feelings, your past, and other personal subjects, which builds closeness and trust in your relationships, especially with women. You are also a sympathetic listener, drawing out others' feelings and personal experiences.

You may hear from someone from the past or reach out to someone you have a long history with or who was once very important in your life.

Saturday, Mar 28, 2009 Ven Qucnx Plu

Fateful encounters which are not altogether pleasant are indicated. If you are in an established intimate relationship, it is apt to be rough sailing right now. Ultimatums, bringing up past pain and unresolved issues, jealousy, or unusual neediness or possessiveness may all be part of the scenario, and what makes all of this quite stressful is that most of it is not blatant but subtle and insidious. Indiscretion and poor judgment in matters of the heart need to be guarded against.

Sunday, Mar 29, 2009 Sun Qucnx Nep

Vague feelings of weakness or a mysterious or unexplained illness and/or oversensitivity to chemicals, poisons, and pollutants can make this a challenging time. Your defenses are not as strong as usual which makes you susceptible to being overpowered by outside forces.

Be gentle and don't expect too much of yourself right now. Intoxicants of any sort are best avoided at this time.

Monday, Mar 30, 2009 Sun Sesqu Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Tuesday, Mar 31, 2009 Merc Sesqu Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Wednesday, Apr 1, 2009 Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Thursday, Apr 2, 2009 Sun Trine Sun

Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time.

Friday, Apr 3, 2009 Ven Sxtil Moon

This is an excellent time to have company or to give a party at your home. You are feeling hospitable and loving and need to share comfort and affection with close friends and family. Home improvements or beautifying your surroundings in some way is also favored now.

Merc Sxtil Asc

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

Saturday, Apr 4, 2009 Mars SSqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Sunday, Apr 5, 2009 Ven Trine Merc

This is a good time to schedule social activities or even business meetings where tact and friendliness would be a plus. You act as a diplomat and harmonizer between people with differing viewpoints. Also, attending cultural events such as an art show or a play is favored. Thoughts of love, an appreciation for beauty, and an aesthetic enjoyment of your surroundings are brought to the fore. A short pleasure trip would also be beneficial now.

Monday, Apr 6, 2009 Ven Sqr Ven

What occurs now makes you more aware of what you need, feel, and want in your relationships. If you are unhappy in your personal life, this is brought out now, and you'll need to face what is causing your dissatisfaction. Differences in personal style, tastes, and ways of expressing affection may emerge. You also feel amorous and loving and, if your personal life is going well, this is a time to really enjoy and appreciate it.

Tuesday, Apr 7, 2009 Merc Trine Ura

You experience sudden insights, make discoveries, come up with fresh solutions to old problems, and seek alternatives to the usual routine way of doing things. Your mental processes are speeded up and you move more quickly now. Try to make room for a lot of spontaneity and flexibility in your schedule at this time.

Merc Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

Sun Sxtil Asc

This is a time for being with people and especially giving something of yourself and your talents to others. You want to be seen and noticed. You receive appreciation and a positive response and possibly an opportunity or personal contact which will be quite beneficial.

Wednesday, Apr 8, 2009 Ven Sxtil Jup

Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Charitable and philanthropic impulses are stronger now, also, and should be followed with positive action on your part.

Thursday, Apr 9, 2009 Merc Qucnx MC

This is a time to take in information which can be of real practical assistance to you in reaching a significant long-range goal. Some news may reach you which will create some minor distress and compel you to re-examine or reassess a position you have taken regarding your career or work in the world. Don't try to force issues or

come to any definite conclusions now and don't sign any contracts which require too much compromise on your part. Simply gather information and, if necessary, delay direct negotiations.

Friday, Apr 10, 2009 Merc Sqr Jup

Your mind is on bigger issues and long-range plans. You are optimistic and enthusiastic about your ideas, but disinclined to read the fine print or study all the facts, which can result in an error in judgment. Try not to be lax about important details.

Merc Sxtil Ven

There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. You avoid heavy discussions and do not want to focus on dry, practical matters. Reading light fiction, going out to see a romantic comedy, or simply sharing a pleasant time with someone you like is more in tune with your feelings now.

Merc Sqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Saturday, Apr 11, 2009 Merc SSxt Moon

You feel inclined to speak to others about your innermost feelings, your past, and other personal subjects, which builds closeness and trust in your relationships, especially with women. You are also a sympathetic listener, drawing out others' feelings and personal experiences.

You may hear from someone from the past or reach out to someone you have a long history with or who was once very important in your life.

Sunday, Apr 12, 2009 Sun Qucnx Mars

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

Monday, Apr 13, 2009 Mars Oppos Mars

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

Merc Trine Plu

There is great depth to your conversations. You find yourself revealing secrets or very private matters, and also asking very penetrating questions of others. Superficial answers don't satisfy you now. This is an excellent time to investigate a complex problem or mystery, look for something that has been lost or hidden, and also to learn more about your own inner depths.

Tuesday, Apr 14, 2009 Merc Oppos Nep

This is one of the least favorable times to make a decision or sign a contract, as your communication with others is likely to be fraught with misunderstanding or even outright deception. Your thinking is rather fuzzy now and you are more gullible or swayed by feelings, images, and ideals rather than seeing situations and people as they are. Your imagination is very active at this time.

Wednesday, Apr 15, 2009 Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

Sun Sqr Sat

This is a time of considerable frustration and your desires or efforts appear to be thwarted or at least delayed. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much to heart.

Thursday, Apr 16, 2009 Merc Sqr Sun

There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other "busywork" is on the agenda. A minor but rather tense confrontation is likely.

Mars Sxtil Sat

Self-discipline, training, persevering through a dry or slow period, and working quietly or in meager circumstances are themes in this time period. You have the ability and stamina to concentrate, to work carefully and thoroughly, and to accomplish something modest, yet of real practical value and substance now.

Friday, Apr 17, 2009 Moon Sesqu Plu

Beware of a tendency to overreact, to go to extremes, or to try to force your intentions on others regardless of the appropriateness of your actions. A minor crisis in the domestic sphere or an emotional confrontation is possible.

Saturday, Apr 18, 2009 Sun Qucnx MC

A minor social disgrace or embarrassment is likely now, especially if you are in the public eye. You may be upstaged or challenged in a particularly disconcerting way. However, how you handle any humiliation or adverse situation which occurs at this time may well be crucial to future success. Influential men in your life are implicated.

Sunday, Apr 19, 2009 Merc Sqr Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Monday, Apr 20, 2009 Sun Sqr Jup

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Tuesday, Apr 21, 2009 Mars Trine MC

You can make your influence felt at this time and any efforts you make to advance your career or other important long-range goals will be very effective. Independent action, self-reliance, or taking on more of a leadership position are favored now. You have the green light!

Sun Sxtil Ven

Your relationships are especially affectionate and friendly at this time, and you may benefit socially or materially through an opportunity offered to you by a friend. This is a good time for parties, social gatherings, and other pleasurable activities.

Wednesday, Apr 22, 2009 Sun Sqr Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Merc Trine Mars

This is a good time to assert your own needs and desires, to communicate to others what you really want. You are sharp, clear, decisive, and articulate. You can't stand being idle now; you are ready for challenging, intellectual activities and attacking difficult problems on the job.

Thursday, Apr 23, 2009 Mars Sxtil Jup

Doors open and new opportunities for personal and professional growth present themselves. Any initiative or action you feel inclined to take at this time is likely to lead to a positive outcome for you. Partnerships or joining with others for mutual benefit is favored. Your energy level is high; this is a good time for athletics, especially team sports.

Friday, Apr 24, 2009 Mars Sqr Ven

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

Saturday, Apr 25, 2009 Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Merc Trine Sat

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

Mars Trine Merc

You speak very clearly, convincingly, and forcefully now, so that there is no mistaking what your views and opinions are. You can argue a good case, make a very persuasive presentation, or successfully challenge someone whose ideas do not agree with your own. Your mind is sharp and your responses quick. This is a very good time to take a test or to do any kind of intellectual or mental work.

Sunday, Apr 26, 2009 Mars Sxtil Moon

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

Monday, Apr 27, 2009 Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going

after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

Ven Sxtil Jup

Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Charitable and philanthropic impulses are stronger now, also, and should be followed with positive action on your part.

Tuesday, Apr 28, 2009 Sun Oppos Nep

Your defenses are weaker than usual now and you are inclined to passively withdraw or give in to other people rather than act decisively and strongly in your own behalf. Confusion, vagueness, or misrepresentation can occur in your relationships, so beware of making commitments at this time. You're likely to see things much more clearly and realistically later on.

Wednesday, Apr 29, 2009 Merc Oppos MC

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

Ven Sqr Ven

What occurs now makes you more aware of what you need, feel, and want in your relationships. If you are unhappy in your personal life, this is brought out now, and you'll need to face what is causing your dissatisfaction. Differences in personal style, tastes, and ways of expressing affection may emerge. You also feel amorous and loving and, if your personal life is going well, this is a time to really enjoy and appreciate it.

Thursday, Apr 30, 2009 Moon SSqr Moon

You're more moody, oversensitive, or touchy than usual, and your irritability is apt to provoke discord in your immediate environment. Relations with parents, children, or other close associates are tense.

Friday, May 1, 2009 Ven Trine Merc

This is a good time to schedule social activities or even business meetings where tact and friendliness would be a plus. You act as a diplomat and harmonizer between people with differing viewpoints. Also, attending cultural events such as an art show or a play is favored. Thoughts of love, an appreciation for beauty, and an aesthetic enjoyment of your surroundings are brought to the fore. A short pleasure trip would also be beneficial now.

Saturday, May 2, 2009 Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

Sun Sqr Sun

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

Sunday, May 3, 2009 Ven Sxtil Moon

This is an excellent time to have company or to give a party at your home. You are feeling hospitable and loving and need to share comfort and affection with close friends and family. Home improvements or beautifying your surroundings in some way is also favored now.

Monday, May 4, 2009 Ura Sxtil Sat

You are less rigid in your attitudes to others now. Various stereotypes or prejudices that you have are chipped away during this time period. You are likely to have interactions with people of various political persuasions, religious faiths, or life styles that show you that your rigid categories and classifications are not always appropriate. Now is the time when you can become more responsive to actual situations and conditions rather than to your rigid image of them. You are better able to see some good even in the worst people and, on the other hand, to see some bad in people that you idolize. Even if you consider yourself to be a very liberal, unbiased person, you will probably still react negatively to certain classes of people, such as those with opposing political affiliations, conservatives, for example. Now is the time to break down these crystallized attitudes and ideas.

This increased flexibility and responsiveness develops rather easily now, and consequently this is a very positive time. You feel less restricted and confined by circumstances in your life.

Because you are less rigid and dogmatic in your approach now, you are also able to work more effectively with people or organizations that you have had difficulty with before. If you are involved in a relationship where one person feels stifled or dominated by the other, now is a good time to focus energy on resolving this problem and gaining a better mutual respect for each other. This is also a good time for business relations and any interaction with government agencies and organizations. Progress can be made more easily now since there is less bureaucratic inefficiency and more responsiveness to the immediate needs and concerns that require attention.

Tuesday, May 5, 2009 Mars Sesqu Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Wednesday, May 6, 2009

Plu SSqr Asc

During this time period you reach a critical point in your life and relationships. You want greater intensity and intimacy in your relationships, and you are also inclined to have power struggles with others. You want closeness but you do not want to be dominated or restricted by the other person. You may even try to manipulate others, and secretly take advantage of their weaknesses. In short, a number of conflicting emotions and attitudes arise: you want closeness and intimacy but you do not want to be obligated and restricted by another person; you want fairness in relationships but you can be very unfair yourself, being manipulative or domineering towards others! Try to be honest with yourself. This is a time when many conflicting emotions arise but you need to gain control of your life, and make a firm decision about how to steer your life. If properly handled, this can be a time when you overcome emotional blocks that stem from your childhood and early life, and gain a new, reformed, positive attitude towards life.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Friday, May 8, 2009

Sun Sqr Asc

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

Mars Trine Sun

Your vitality and self-confidence are high, and you can achieve your goals with much more ease than usual. You enjoy vigorous physical activities, competitive work or sports, and meeting challenges. You are inclined to strike out on your own and to assert your own will, but not in a way that creates resistance in others.

Saturday, May 9, 2009

Ven Qucnx Plu

Fateful encounters which are not altogether pleasant are indicated. If you are in an established intimate relationship, it is apt to be rough sailing right now. Ultimatums, bringing up past pain and unresolved issues, jealousy, or unusual neediness or possessiveness may all be part of the scenario, and what makes all of this quite stressful is that most of it is not blatant but subtle and insidious. Indiscretion and poor judgment in matters of the heart need to be guarded against.

Sunday, May 10, 2009

Mars Sesqu MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own without trying to force others to agree with you or join you.

Monday, May 11, 2009 Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

Tuesday, May 12, 2009 Jup Oppos Ura

Spontaneity and freedom are the key issues during this time period. Your mood is very upbeat. You are funny, somewhat eccentric, and you will sometimes act out of character. All of this is simply because you are less inhibited and cautious than usual, and you feel good.

Dry or tedious activities are not for you. You will simply not tolerate a boring time, even if it means being a little rude. You will find something more entertaining to do, and be glad that you did. This is a happy time for you, and you may feel like you have just been let out of prison.

Creative inspirations can come to you now. If you are involved in a mentally creative or artistic area, you can get some really exciting ideas now.

The only negative possibilities are that you can be negligent and careless in handling some of your responsibilities because they are too irksome for you to deal with, and you could overexert yourself in sport, dance, or other enjoyable activity.

Wednesday, May 13, 2009 Sun Trine Mars

You have an abundance of physical energy and self-confidence right now and can take on new projects and challenges with ease. You feel bolder and less dependent on others' affirmation and approval.

Taking a strong stand or striking out on your own in some manner is likely to work out well for you.

Thursday, May 14, 2009 Ven Sesqu Ura

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Friday, May 15, 2009 Moon Conj Jup

Social events, cultural activities, and entertainment are highly favored. You feel good and can enjoy yourself. There's a tendency to overindulge in food or other comforts.

Saturday, May 16, 2009 Sun Sqr Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Sun Trine Sat

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

Mars Sxtil Asc

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

Merc Oppos MC

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

Sunday, May 17, 2009 Ven Trine Sun

Relaxation, enjoyment, and pleasure are emphasized now. This is not a time to push yourself or to be involved in activities that require intense competition or a great expenditure of energy. Cooperative, harmonious personal and professional relationships are more important to you at this time. You feel like socializing and being friendly.

Monday, May 18, 2009 Moon Oppos Plu

You may find something you believed to be lost or irretrievable. Things that have been forgotten or hidden come to the surface. Old issues in your personal relationships arise once again also.

Tuesday, May 19, 2009 Sun Oppos MC

This is a time for withdrawing your energy, attention, and efforts from the outside world and external goals in order to replenish yourself. Quiet reflection and attention to your inner world, your family, and the foundation that supports all of your outside activities is called for. This is a time to "lie low". You may have to work quietly or without much outside recognition at this time.

Wednesday, May 20, 2009 Moon Sxtil Jup

You'll want to be with people now - entertaining or enjoying some light entertainment. Personal relationships, particularly with females, are favored.

Thursday, May 21, 2009 Sun Trine Jup

This is a good time for relaxing recreation, a time to refresh and rejuvenate yourself and do the things you most enjoy doing. Good humor and optimism prevail now, and you are able to get a larger perspective on your life. This is also a good time to approach someone who is in a position to benefit you spiritually, intellectually, or materially.

Friday, May 22, 2009 Merc Trine Sat

This is a time when you express yourself very clearly, and conversations, negotiations, and communications of all kinds are cordial and successful. Expect a rapid pace with numerous transactions, letters, phone calls, or errands requiring mental clarity.

Sunday, May 24, 2009 Ven Sxtil Asc

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Sun Conj Moon

Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual.

Monday, May 25, 2009 Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Tuesday, May 26, 2009 Moon SSqr Sun

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Wednesday, May 27, 2009 Moon SSxt Sun

Social relationships, friendships, and supportive alliances are strengthened now. Your energy and confidence are high and you can accomplish much in a harmonious, flowing manner right now.

Thursday, May 28, 2009 Sun Sqr Plu

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

Friday, May 29, 2009 Ven Qucnx Mars

Tensions in an intimate relationship make themselves felt now. You may feel out of sync with your partner, dissatisfied in a way that may be difficult to pinpoint and resolve. Most likely, you are pulled between pleasing your partner and expressing your own desires and needs. Your love rhythms are a bit off. This affects all your relationships but particularly those that are sexual in nature.

In social settings, some awkwardness, inappropriate or excessive affection, or unwanted sexual advances are likely.

Saturday, May 30, 2009

Mars Quenx MC

Disputes over work, career, professional reputation, and long-range personal goals are indicated. Premature action, showing your cards too soon, or inability to rely on co-workers or suppliers can cause much aggravation. You may somehow threaten your superiors or others who are influential in helping you gain your objectives. Biding your time would be better in the long run, though right now it may rile you.

Sunday, May 31, 2009

Sun Sesqu Sat

This is a time of considerable frustration and your desires or efforts appear to be thwarted or at least delayed. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much too heart.

Monday, June 1, 2009

Ven Trine Ura

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine and, because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

Ven Sqr Sat

Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value.

Tuesday, June 2, 2009

Mars Sqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Sun Sxtil Sun

Friendships and cooperative endeavors flourish now. You achieve a harmonious balance of giving and receiving and of talking and listening, and any social or joint activity will benefit.

Wednesday, June 3, 2009

Mars Sxtil Ven

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. It's not enough for you to simply feel loving toward another; at this time you really

want to express it and show it physically. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

Thursday, June 4, 2009 Mars Sqr Merc

Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Friday, June 5, 2009 Ven Qucnx MC

Self-consciousness, anxiety about public images or reputation, and/or a greater concern for the packaging than the contents are some of the less positive possibilities for you at this time. You are apt to be rather attractive and appealing, particularly at the work place or in your professional role. Be careful not to take advantage of this for it could backfire. On a more pleasant note, an inviting atmosphere at work and appreciation for work well done is indicated. You could make some new contacts too, which would be good, except for the caution cited above.

Saturday, June 6, 2009 Sun Sesqu Jup

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Sunday, June 7, 2009 Ven Sqr Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Monday, June 8, 2009 Merc Sqr Ura

Opportunities for friendship, pleasant associations, and enjoyable social interactions occur now. Personal relationships are harmonious and rewarding. Also, financial transactions go smoothly for you and material benefits are possible at this time.

Sun Trine Asc

You are in harmony with the people in your immediate environment. There is a sense of ease and of flowing with, rather than fighting against or resisting, what is going on around you. Therefore, you have more energy and more fun at this time.

Now is a good time to make a presentation, go for an interview, or meet the public in some way; the response is positive.

Ven Sqr Merc

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Tuesday, June 9, 2009 Plu Qucnx Merc

Many of your mental habits and attitudes, concepts, intellectual beliefs, and thinking patterns are severely tested and could shatter under the impact of new understanding or information. You may be forced to see and acknowledge something that is highly disagreeable, threatening, or unbelievable to you. Try to avoid extremist positions, dogmatic thinking, or fanatical propaganda. You may run into some extremely opinionated and/or charismatic "teachers" who seek to influence you unduly. Tricks played on your mind or brainwashing in any form should be strictly avoided.

Do whatever you can to alleviate stress in your environment and nervous system. You may require a bit more solitude than usual to keep yourself in balance.

Wednesday, June 10, 2009 Mars Trine Plu

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Thursday, June 11, 2009 Mars Sesqu Mars

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own

will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

Friday, June 12, 2009 Mars Oppos Nep

At this time your interactions with others and with the outside world in general can be confusing, devitalizing, and discouraging. It seems that whatever you try to do goes nowhere or gets lost in a haze of misunderstanding. This is not a good time to try to toot your own horn or attempt to get personal recognition for your efforts. Taking time off, working quietly, or doing something primarily for the benefit of others without concern for personal gain is favored at this time.

Merc Oppos MC

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

Saturday, June 13, 2009 Ven Trine Plu

You have a special magnetism and attractive power now, and you are feeling intensely loving also. Your relationships, particularly sexual or romantic ones, intensify and have a deep, compelling, urgent quality. Your inner feelings and needs for love and closeness emerge very strongly. You may also channel some of these feelings into creative or artistic work, something that evokes and expresses your deepest self.

Sun Sqr Mars

You know just what you want right now and woe to anyone or anything that gets in your way! You are much more likely to become domineering, pushy, or inconsiderate of others now, so it is a good time for you to do what you need to do by yourself rather than with others. Accidents, mistakes made in haste, or ego conflicts may occur due to your impatience and willfulness. Positively, physical energy is high and you could accomplish a great deal.

Sunday, June 14, 2009 Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

Monday, June 15, 2009 Ven Oppos Nep

You are in a dreamy, romantic mood. Yearnings for love, feelings of compassion, or even religious devotion accompany this time period. You are definitely more idealistic, tolerant, and selfless in your relationships, which may cause you to act against your own interests. Decisions involving money or important commitments to others, therefore, should probably be made some other time. A desire for loveliness and beauty in your surroundings is

also strong.

Tuesday, June 16, 2009 Sun Sxtil Ura

Acting on impulse, changing your usual routine, improvising and using your intuition rather than following a prescribed, logical way of doing things is called for now. The tempo of your life accelerates now. Expect a rather inconstant, unpredictable, but interesting time.

Merc Sxtil Merc

A nonstop flow of communication between yourself and the people in your immediate environment is likely today. You may engage in interesting and informative discussions or fritter your time away in inconsequential chatter and gossip. Mental curiosity or restlessness may also impel you to take a short trip or visit.

Wednesday, June 17, 2009 Merc Conj Moon

Conversations have a particularly emotional, intimate, or nostalgic tone. Sharing memories and reminiscences or discussing a very personal topic with someone you feel you can trust is likely now. You may have a significant communication (letter, phone call, or personal discussion) with someone who was once very important to you or with whom you have a long history. This is a good time to reflect, review, and get a perspective on emotional matters or things of the past.

Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Thursday, June 18, 2009 Ven Sqr Sun

Your desire for pleasure, ease, and affection is brought to the fore and may interfere with work or complicated situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened. Social gatherings and personal relationships are favored.

Friday, June 19, 2009 Sat Sesqu Jup

Unexpected obstacles on your path appear at this time, frustrating your aims and ambitions and trying your patience. You may doubt whether you should continue with your plans or whether to abandon them. This is a time of serious reconsideration and reformulation of your values, goals, and aspirations, and how to best achieve them. Do not overreact by abandoning everything. Areas in which you have not developed strongly and which hamper the attainment of your goals are exposed now and some adjusting is definitely needed. In most cases, a reorganizing of priorities and change of approach will "do the trick".

Sloppiness, inconsistencies, and exaggerations are exposed now. You may have to face the sobering

realization that you must "clean up your act" now, cut down on expansion, and strengthen your foundation. The intensity and stressfulness of this astrological influence is dependent on how much cleaning up you need, so if you feel like the world is caving in on you then you know you have a lot of cleaning up to do! Many areas of your life are affected, including finances, career goals, attitudes and ideas. For example, you may find that you need to budget more wisely in order to meet bills; you may question a religious path or spiritual philosophy due to inconsistencies or hypocrisies that are discovered; or you may improve efficiency and performance at work in order to remain competitive. As mentioned above, you probably should not abandon your pursuits, but rather make modifications. There is probably much of value in your spiritual path or your business and you should keep it, but you do need to streamline, cut out excesses, extravagances, and exaggerations, and focus on essentials.

Difficulties of a legal nature or with government agencies can also arise now. Areas in which you have tried to cut corners or bypass requirements can come back to haunt you now. Deal with any such issues honestly and with integrity. Be willing to admit mistakes and compensate for past negligence.

Although this is a difficult time, decisions that you make now and the reorganization of your priorities can also open new doors for you that you would never have considered otherwise. You may change jobs or make other major changes that offer you a more fulfilling and meaningful lifestyle.

Saturday, June 20, 2009 Merc Sqr Plu

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

Sunday, June 21, 2009 Merc Qucnx Nep

Moments of confusion, disorientation, and mental foginess are likely. You may misunderstand or misconstrue something that is stated in ambiguous terms, so be absolutely certain that everything is spelled out and crystal clear. You are also apt to forget appointments, overlook significant details, make errors in computation, etc. Any sort of intoxicants or chemicals should be strictly avoided now. They will make you very dopey, or possibly even poison you.

Monday, June 22, 2009 Sun Qucnx Jup

An irritable urge to be free of constraints, social obligations, or bureaucracy typifies this time period. You may inadvertently provoke the disapproval of colleagues, superiors, or other authorities through some presumptuous act on your part. Beware of overly optimistic schemes or self-indulgent purchases at this time also.

Tuesday, June 23, 2009 Sun Conj Ven

Love, relationships, beauty, and pleasure are emphasized now. You feel especially attractive or friendly, and the warmth you radiate is noticed and appreciated. A new romance or friendship may ensue. Artistic efforts are also fruitful.

Wednesday, June 24, 2009 Merc Sxtil Sun

This is a busy time; communicating and getting in touch with others is very likely. Numerous phone calls, letters, meetings, errands, or discussions bring you into contact with others. This is a good time to brainstorm with others, share ideas, and come to a group consensus.

Ven Sqr Asc

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Thursday, June 25, 2009 Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

Friday, June 26, 2009 Merc SSqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Saturday, June 27, 2009 Merc Trine Asc

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Sunday, June 28, 2009 Ven Trine Mars

You feel quite amorous and affectionate now and will very much want to share this time with someone you love or at least with congenial company. Your creative or artistic inclinations are also stimulated, and your work in these areas will be especially satisfying and successful at this time.

Sun Sxtil Plu

There are opportunities for deep sharing and powerful, meaningful contacts with others, especially people who share common goals or ideals. An opportunity for a leadership role is also likely.

Monday, June 29, 2009 Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and

convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

Tuesday, June 30, 2009 Sun Trine Nep

At this time you really enjoy art, theater, music, and your own inner world of fantasy. Your imagination is vivid. If you have an interest in spiritual matters, these interests come to the fore now also. The inability to be decisive and a lack of energy or drive is a negative possibility. You can be quite lazy now.

Plu Oppos Ven

Romance and sexuality are the key issues now. Your sexual drive is particularly strong now, and you are driven by a strong need to achieve a deeper level of fulfillment in your love relationships. At times during this time period you are not able to constrain your compulsive feelings, and you are prone to dispense with reason, logic, rational judgment, ethics, and taboos.

If you are not married or deeply involved with someone, it is likely that a love relationship will begin now. However, because your romantic and sexual drives are so strong, you may allow yourself to become involved with someone that you find attractive but are not compatible with on an intellectual level and with whom you share few interests and tastes. Try not to settle for this kind of compromise in your love relationships because you will later be faced with the predicament of unraveling the bonds you have formed, which is likely to be more difficult than you would imagine now.

If you are married or deeply involved with someone, then your relationship will undergo some changes now. There may be many changes, but typically, one of the following changes occurs in either or both of you: more demanding and less easily satisfied with the other person, more romantic, more flirtatious, less conventional, and more possessive. Issues of jealousy and possessiveness are likely to arise. The nature of the issues and changes that arise now depends on the changes needed in the relationship. Underlying all of these changes is the need for greater closeness and greater romantic and sexual fulfillment. The emotions and drives that arise now usually arise without any apparent reason. This is a time of compulsive and irrational emotional drives! Avoid the tendency to be secretive. You may try to hide your feelings, repress your feelings, or develop extramarital affairs without your spouse's knowledge. Lying and hiding things from others only builds another layer of complexity onto the complex feelings that you are dealing with, and you will eventually regret your lack of honesty and openness.

Ven Sqr Ura

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Wednesday, July 1, 2009 Ven Trine Sat

This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things which are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

Merc Sxtil Ura

You will want a break from the predictability of your usual routine and methods. You're in the mood to experiment and to learn something new. Offbeat or original ideas excite you and you will seek people who can offer you a different way of looking at things. Discovery, inventiveness, and spontaneity are major themes now.

Mars Trine Mars

Self-confidence, physical energy, and courage run high, so this is a fine time to undertake any project or challenge that confronts you, especially if it involves competition or asserting yourself vigorously. You are inclined to take charge or assume a leadership role at this time.

Thursday, July 2, 2009 Sun SSqr Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Friday, July 3, 2009 Merc Quenx MC

This is a time to take in information which can be of real practical assistance to you in reaching a significant long-range goal. Some news may reach you which will create some minor distress and compel you to re-examine or reassess a position you have taken regarding your career or work in the world. Don't try to force issues or come to any definite conclusions now and don't sign any contracts which require too much compromise on your part. Simply gather information and, if necessary, delay direct negotiations.

Saturday, July 4, 2009 Ven Oppos MC

This is an excellent time for home improvements, particularly those which enhance the appearance and beauty of your living space. Decorating or rearranging furniture in order to create a more harmonious and pleasing arrangement is favored. Relationships with your family are very satisfying and loving, and you may also wish to invite company into your home. The role of gracious host or hostess suits you very well right now.

Merc Conj Ven

Thoughts of love and an appreciation of the beauty in your life comes to the fore. This is a favorable time to communicate your feelings to the ones you care about: write a love poem or send a love letter! Also your aesthetic sense is strong now; you may want to make changes in your environment to make it more harmonious and pleasurable for you.

Sunday, July 5, 2009 Mars Sqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Mars Trine Sat

Your concentration is excellent now and you are serious about your work. You want to focus on real accomplishment and avoid frivolity and distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time but, fortunately, they yield positive results in the long run.

Monday, July 6, 2009 Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

Tuesday, July 7, 2009 Merc Sxtil Plu

You are fascinated by the mysterious now. Unsolved or puzzling problems and the hidden or behind the scenes aspects of a situation interest you most, and you delve and probe until you discover the truth. An interest in psychology or other peoples' secrets comes to the fore. You enjoy spy, mystery, and supernatural stories.

Friday, July 10, 2009 Mars Oppos MC

This is a low point as far as getting ahead or achieving anything in the world is concerned. For now, your energy needs to go into your personal life, home, and family matters. Stress which has been building up both at work and in your family relationships needs to be released now. Try to work out or find ways to express yourself physically, like working in the yard or playing sports; otherwise, you are prone to becoming pugnacious with the people you are closest to.

Saturday, July 11, 2009 Ven Sqr Plu

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

Sunday, July 12, 2009 Merc Qucnx Asc

This is a time when short trips, excursions, errands, etc. are interfered with. You will have to adjust your plans or appointments to accommodate an inconvenience. You may also have to re-examine some matter you believed to have already been concluded and resolved. Negotiations are apt to be strained and awkward, although direct confrontation is unlikely.

Monday, July 13, 2009 Mars Trine Jup

At this time you will want to branch out; you have the energy to do more and take on more challenges. Tuesday, July 14, 2009 Merc Sxtil Mars

You are eager to discuss your thoughts and plans with others at this time and you may have a very fruitful brainstorming session, a spirited debate, or a very active meeting with others in which things really get accomplished. You are verbally assertive and can present your own plan or idea quite convincingly.

You are likely to come up with a clever solution or a very workable plan, especially if you brainstorm with others. You also tend to make up your mind very quickly and decisively now and to translate your ideas into action.

Merc Oppos Sat

You are likely to distance yourself from others now, feeling the need to withdraw and reflect. Your thoughts are inclined to be heavy, critical, and pessimistic at this time, so it would be good to realize that you are only seeing part of the picture and perhaps seek the advice of an older, experienced person who has passed through some of the challenges you face. This can also be a time of leaving, separating from friends, and choosing a new way.

Thursday, July 16, 2009 Ven Sxtil Sun

Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

It may seem that circumstances, other people, or the whole world is against you today! You feel overwhelmed by demands, outside pressures, or your responsibilities and you are looking at your life with serious doubt or pessimism. Saturday, July 18, 2009 Merc Oppos Jup

You are mentally restless and can not concentrate well on your immediate, familiar tasks. You are not inclined to discipline your mind or focus on practical matters, unless there is an element of gambling, play, or risk-taking involved. Reading something that is mind expanding, taking a trip, or planning a vacation is favored at this time.

Sunday, July 19, 2009 Jup Oppos Ura

Spontaneity and freedom are the key issues during this time period. Your mood is very upbeat. You are funny, somewhat eccentric, and you will sometimes act out of character. All of this is simply because you are less inhibited and cautious than usual, and you feel good.

Dry or tedious activities are not for you. You will simply not tolerate a boring time, even if it means being a little rude. You will find something more entertaining to do, and be glad that you did. This is a happy time for you, and you may feel like you have just been let out of prison.

Creative inspirations can come to you now. If you are involved in a mentally creative or artistic area, you can get some really exciting ideas now.

The only negative possibilities are that you can be negligent and careless in handling some of your responsibilities because they are too irksome for you to deal with, and you could overexert yourself in sport, dance, or other enjoyable activity.

Merc Conj Merc

You are alert, mentally sharp and clear, and your ability to comprehend new concepts is heightened. Also, you can verbalize and articulate your ideas very well at this time. Intellectual curiosity is also high. This is a good time to make plans and strategies or begin a course of study.

Unless you slow your pace down a bit, this time period can be quite a headache.

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

Merc Conj Plu

You disregard superficial or pat answers to your questions now and you feel impelled to probe until you get to the bottom of some situation. Mysteries, unsolved riddles, and topics that people usually avoid or sweep under the rug occupy your thoughts. When speaking, you tend to be very insistent or even fanatical about your point of view, which will either utterly convince your listeners or repel them completely.

Mars Trine Asc

At this time it is easy for you to express yourself boldly and confidently. You seem to care less about outside approval and this frees you to act on your own behalf or to do something you have not had the courage to attempt before. Your health and vitality are quite good, and you need physical outlets for your energies now.

Saturday, Aug 8, 2009 Merc Sxtil Nep

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. A significant personal encounter or confrontation occurs today. You cannot, and probably will not want to, be alone now. This is a time to reach out to people and to get others' input or counsel. Listen to your mate or a friend who can enlighten you at this time. Also, consulting a professional for health, business, or personal reasons will be very constructive and fruitful now.

Nep Oppos Ura

Inspiration, eccentricity, and imagination are the key issues for this time period. You are likely to feel the urge to do something completely out of character now. Don't fight the urge. Let yourself be a little "crazy"; this is a good time to break out of your accustomed ways of acting and be more humorous or eccentric.

Your imagination is charged now. Any artistic endeavors are imbued with a new spirit of originality and inspiration. Your thinking is much less conservative and cautious now, and you can tap intuitive and creative resources that will surprise even yourself. Your ability to improvise is especially strong. Don't restrain yourself; break out of the usual constraints to your ingenuity and creativity.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. Your political and social idealism is also stirred, and you may become active in altruistic or idealistic social reform.

Be careful, however, in practical affairs. You find it difficult at times to control your enthusiasm about progressive and unusual ideas. However, your ideas tend to be less realistic and practical than you realize. In short, business decisions and career decisions tend to be unrealistically optimistic.

Tuesday, Aug 11, 2009 Ven SSxt Sun

Your desire for immediate gratification and personal comfort is somehow at odds with your desire to be seen in a favorable light, especially by influential people or those in authority. You may be publicly embarrassed or feel uncomfortably exposed. An uneasy balance between family responsibilities or emotional considerations, and long range goals or your position and reputation is the theme of the moment.

Thursday, Aug 13, 2009 Ven Sesqu MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

Friday, Aug 14, 2009 Mars Sqr Mars

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Sunday, Aug 16, 2009 Ven SSqr Moon

The craving for sweetness and comfort in the form of loving affection or food is strong now. This is a good time to baby yourself and also to spend time with the people who love and appreciate you the most. Also, you are feeling rather tender and softhearted and may do something "maternal" on impulse (such as take home a stray kitten, offer to babysit, buy a gift for your family, etc.).

Monday, Aug 17, 2009 Moon Sxtil Plu

You seek emotional depths - a very moving piece of music, an especially intimate, heart-to-heart connection with a friend or loved one, or some emotional thrill. Your feelings are more intense and compelling.

Tuesday, Aug 18, 2009 Sun Conj Ura

You are excitable and restless today and may do something quite unexpected and out of character. Impatience with dreary routine and the desire for freedom and change may spur you to do something you normally consider adolescent or irresponsible. You are very insistent on your own "rights", needs and preferences at this time. An event that disrupts your accustomed schedule could also happen now.

Mars Sxtil Ura

Physical thrills and excitement have a strong appeal for you now, and you want to do something new and out of the ordinary. You also have a lot of energy and quick reflexes. A vigorous game of racquetball or tennis or some other fast-moving competitive sport would be a good outlet for you now. Acting on your spontaneous impulses and following through on some of your more unusual or "crazy" desires will yield surprises, mostly positive.

Merc Conj Mars

You are likely to come to a very clear, definite decision at this time and to let others know exactly what you want. You are not in a very conciliatory mood and are not averse to stirring up unpleasant controversy in defense of your plan, idea, or desire. You may speak or act in haste now which can be a cause of regret later on.

Wednesday, Aug 19, 2009 Ven SSqr Plu

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

Thursday, Aug 20, 2009 Ven Sxtil Mars

Romance and flirtations are likely now. You are feeling warm, expressive, and lively. Loving feelings flow between you and the people you meet, especially those of the opposite sex. Friendships are also strengthened at this time. Also, your creativity and desire to make something beautiful is stimulated now.

Friday, Aug 21, 2009 Merc Trine Sat

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

Sun Sqr MC

You are at cross purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause considerable enmity at this time.

Saturday, Aug 22, 2009 Ven Oppos Sat

Conflicts between duty and pleasure, or between sober practicality and a yearning for love and emotional satisfaction, are likely now. This can be a very frustrating time, and you are likely to feel quite alone, emotionally aloof, or withdrawn.

A relationship may end or a temporary break may be made. This is a time to relinquish something or someone you once cherished but which no longer has a positive purpose in your life.

Sunday, Aug 23, 2009 Mars Quenx MC

Disputes over work, career, professional reputation, and long-range personal goals are indicated. Premature action, showing your cards too soon, or inability to rely on co-workers or suppliers can cause much aggravation. You may somehow threaten your superiors or others who are influential in helping you gain your objectives. Biding your time would be better in the long run, though right now it may rile you.

Monday, Aug 24, 2009 Merc Sxtil MC

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

Sun Sxtil Ven

Your relationships are especially affectionate and friendly at this time, and you may benefit socially or materially through an opportunity offered to you by a friend. This is a good time for parties, social gatherings, and other pleasurable activities.

Tuesday, Aug 25, 2009

Ven Trine MC

Your friendly concern for others and your willingness to meet people half way benefits your career, reputation, or public image at this time. This is a favorable time to socialize with people you have professional ties with since the positive feelings you generate now are likely to be an aid to you in the future. Beautifying the place where you meet the public and an increased concern about your own physical appearance are also brought out now.

Wednesday, Aug 26, 2009

Sun Sqr Moon

Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise now, necessitating adjustments and compromises on your part.

A side of you which is usually hidden or in the background is likely to emerge now, and this may be positive or negative.

Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

Thursday, Aug 27, 2009

Ven Oppos Jup

You are in a festive, partying mood and just want to play and share a good time with your friends. Community social events and fellowship are very rewarding now. Also, at this time it is hard for you to say no to food, drink, or extravagances in any form. You are also very generous and tolerant toward others. Though you feel wonderful now, you're likely to regret your actions later if you don't curtail your impulses to overindulge, overspend, and enjoy too much of a good thing.

Merc Sqr Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Friday, Aug 28, 2009

Mars Conj Ven

Strong sexual feelings and romantic passions are stimulated now, and the urge to be with your love partner is compelling. If you are not currently in a relationship, you are likely to be bold and to make the first move toward someone you are attracted to. Artistic and creative expression is also favored now.

Ven Conj Merc

You use charm, humor, and a light touch to get your point across now, and your friendly attitude makes a favorable impression on others. Your artistic and aesthetic sense is heightened now also, and interest in literature,

poetry, and culture is strong. Serious and demanding mental work should probably be put off for another time, as either your mind is more on matters of the heart or you simply want to relax and think of lighter topics.

Merc Sxtil Merc

A nonstop flow of communication between yourself and the people in your immediate environment is likely today. You may engage in interesting and informative discussions or fritter your time away in inconsequential chatter and gossip. Mental curiosity or restlessness may also impel you to take a short trip or visit.

Saturday, Aug 29, 2009 Sat Conj Mars

Hard work and concentrated effort are the key issues for this time period. You are faced with tasks that are tedious and difficult but which must be completed at this time. Fortunately, you have the mental concentration and stamina to tackle the tasks now but the demands are still more than you would like to cope with. This is a difficult time period, but at least your work is cut out for you. You are likely to discover flaws in your creative projects, neglected aspects of projects you are involved with, and tedious, detailed work that you have been putting off. Writers find that they need to now carefully edit and proofread their work, construction workers discover that some work has been done carelessly and must be redone, and teachers now have lots of exams to grade or other tedious work. In some way or other, you have to buckle down now. If you have had big plans to travel or expand in other ways, you may find that you need to forego these pleasant diversions and take care of immediately pressing needs. Do not try to shirk your responsibilities as you won't be able to forget about them.

You may feel that hard work is a euphemism for what you are experiencing, and the obstacles you face may be very frustrating. Try not to become emotionally depressed or angry because of the demands. It is best to take a positive attitude toward the work that needs to be done and realize that there will be other times for more expansive, pleasurable activity.

This time period is not necessarily difficult, although it is for most people. Some people, particularly workaholics with an ascetic streak in them, enjoy the undistracted dedication, perseverance, and effort needed. Successful completion of a long-term, major undertaking can be achieved, and the start of an even larger and more comprehensive project than the previous one may be started now.

Ven Sxtil Moon

This is an excellent time to have company or to give a party at your home. You are feeling hospitable and loving and need to share comfort and affection with close friends and family. Home improvements or beautifying your surroundings in some way is also favored now.

Sunday, Aug 30, 2009 Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Sun Conj Plu

Something which has been lost or hidden may come to light now. Secrets, long-buried feelings and desires, or skeletons in the closet could be revealed. This is also a time when you can easily go to extremes. You become

deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now.

Ura Sxtil Sat

You are less rigid in your attitudes to others now. Various stereotypes or prejudices that you have are chipped away during this time period. You are likely to have interactions with people of various political persuasions, religious faiths, or life styles that show you that your rigid categories and classifications are not always appropriate. Now is the time when you can become more responsive to actual situations and conditions rather than to your rigid image of them. You are better able to see some good even in the worst people and, on the other hand, to see some bad in people that you idolize. Even if you consider yourself to be a very liberal, unbiased person, you will probably still react negatively to certain classes of people, such as those with opposing political affiliations, conservatives, for example. Now is the time to break down these crystallized attitudes and ideas.

This increased flexibility and responsiveness develops rather easily now, and consequently this is a very positive time. You feel less restricted and confined by circumstances in your life.

Because you are less rigid and dogmatic in your approach now, you are also able to work more effectively with people or organizations that you have had difficulty with before. If you are involved in a relationship where one person feels stifled or dominated by the other, now is a good time to focus energy on resolving this problem and gaining a better mutual respect for each other. This is also a good time for business relations and any interaction with government agencies and organizations. Progress can be made more easily now since there is less bureaucratic inefficiency and more responsiveness to the immediate needs and concerns that require attention.

Monday, Aug 31, 2009 Sun Sxtil Nep

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

Tuesday, Sep 1, 2009 Ura Qucnx Ura

Inconsistency and instability characterize this time period. You may feel strangely disoriented for a while. You are detaching, changing, and hopefully opening yourself up to new directions and inspiration. However, nervous tension, anxiety about the state of flux in your life, and an overall feeling of not quite being able to get your bearings may trouble you considerably. Realize you do not have to do everything at once and that you do have the capacity to adapt to the new. Although you may not be completely organized, you are more open than ever to a liberation of your mind and spirit. Contact with the earth and with nature can calm you considerably.

Wednesday, Sep 2, 2009 Ven Sqr Nep

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Thursday, Sep 3, 2009 Moon Qucnx Mars

You are feeling testy and contentious, which can lead you to rashly say or do something you will later regret. Try not to put yourself into situations which you know from experience try your patience; you will be in short supply now. On the other hand, you may be the target of others' frustrations and anger, whether justified or not, so try not to make their problem your problem by responding tit for tat... a headache or even an accident could result.

Friday, Sep 4, 2009 Sun SSxt Sun

Friendships and cooperative endeavors flourish now. You achieve a harmonious balance of giving and receiving and of talking and listening, and any social or joint activity will benefit.

Saturday, Sep 5, 2009 Mars Sxtil Plu

You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely.

Sunday, Sep 6, 2009 Ven Conj Sun

Your personal magnetism is strong and you attract appreciation, affection, and attention at this time. Feelings of love, a desire for beauty, and the urge to be creative are strong. You beautify your surroundings and pay particular attention to your appearance. This is a good time to treat yourself or do something fun just for you.

Monday, Sep 7, 2009 Moon Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Tuesday, Sep 8, 2009 Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Wednesday, Sep 9, 2009 Sun SSqr Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which

requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Thursday, Sep 10, 2009 Ven Oppos Asc

This is a very positive time in your marriage or closest one-to-one relationships. Your need to be together and to share loving feelings is very strong. You want to give to your friends and loved ones and may spend generously in order to make them happy. You may also meet someone now who is very good for you.

Friday, Sep 11, 2009 Mars SSqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Saturday, Sep 12, 2009 Moon Sqr Mars

Your competitive, aggressive, and/or sexual energies are stimulated, and your temper is apt to be aroused also. Patience, especially with family members, is in short supply.

Sunday, Sep 13, 2009 Moon SSxt Merc

Communicating with neighbors, friends, and family is accentuated. This is a good time to establish friendly relations at work also. Gossip and trivial conversation are temptations now.

Monday, Sep 14, 2009 Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Tuesday, Sep 15, 2009 Sun Conj Mars

You feel energetic, confident, and assertive now, and are less inclined to be patient with others' needs and demands. You may become angry if your will is blocked or if you have to adjust your vigorous pace to others' slower tempo.

This is an excellent time to take the initiative or to begin a project that you have been considering. ACTION is the theme for today. If you tend to be hot-tempered, this is aggravated now, and you can be quite pugnacious. If you are a more relaxed, easy-going person, you will simply feel more energy and drive than usual.

Merc Sxtil Merc

You are craving emotional excitement, stimulation, and something new and alive. This is a time for music, dancing, and being joyfully spontaneous. Your social inhibitions are loosened, and you may be tempted to have a wild flirtation or to act in a rather reckless way in a relationship.

Thursday, Sep 17, 2009 Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. You are interested in the big picture and have less attention and interest in details.

Friday, Sep 18, 2009 Sun Trine Sat

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. Ven Sqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

You feel confident, optimistic, and have faith in yourself to be able to come forth and be successful. You project yourself with confidence at this time, and you receive a welcome response from others. For example, if you are a writer, you are likely to have your material published at this time; if you are an artist, a successful

exhibit of your work may be given; or if you are in sales you may give a successful presentation to a very large group. You receive attention and are now able to reach a wider audience. This is a good time for promoting or advertising yourself, your creative work, or products. The only negative tendencies are the possibility of being overly optimistic and consequently failing in a major undertaking, or being a little arrogant, self-centered, or materialistic.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Your vitality and personal impact on others is higher now and you're likely to draw attention to yourself without trying or to receive some special recognition. Relations with others flow smoothly.

Wednesday, Oct 14, 2009 Ven Sxtil MC

Meeting people that can benefit your career, getting together with colleagues, or getting to know your superiors on a more personal, friendly basis is quite likely at this time. Take advantage of all opportunities to socialize with the people you have professional ties with for the outcome is likely to be quite positive.

Mars Trine MC

You can make your influence felt at this time and any efforts you make to advance your career or other important long-range goals will be very effective. Independent action, self-reliance, or taking on more of a leadership position are favored now. You have the green light!

Thursday, Oct 15, 2009 Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

Friday, Oct 16, 2009 Ven Sqr Ven

What occurs now makes you more aware of what you need, feel, and want in your relationships. If you are unhappy in your personal life, this is brought out now, and you'll need to face what is causing your dissatisfaction. Differences in personal style, tastes, and ways of expressing affection may emerge. You also feel amorous and loving and, if your personal life is going well, this is a time to really enjoy and appreciate it.

Ven Sxtil Merc

This is a very good time to go to the theater, an art exhibit, or social gathering. You want to see beautiful things and exchange pleasantries with others. In fact, matters of the heart are on your mind and you may want to play match-maker now.

Saturday, Oct 17, 2009 Ven Trine Moon

You are in a mood to relax and enjoy harmonious surroundings. Your family and friends are a source of particular pleasure and satisfaction, and you may wish to treat them or pamper them in some way. Appreciation for your home and a desire to make it more beautiful or comfortable is strong now also.

Sunday, Oct 18, 2009 Merc Sxtil Sun

This is a busy time; communicating and getting in touch with others is very likely. Numerous phone calls, letters, meetings, errands, or discussions bring you into contact with others. This is a good time to brainstorm with others, share ideas, and come to a group consensus.

Mars Oppos Jup

Your energy level and your self-confidence are high now. You are full of enterprise and may chafe at the bit if you can not do enough, if your present position doesn't give you enough scope, or if your superiors do not allow you to take initiative and advance as you want to. Also, at this time you tend to overextend yourself or to believe you can do more than you actually can.

Sun Sxtil Ura

Acting on impulse, changing your usual routine, improvising and using your intuition rather than following a prescribed, logical way of doing things is called for now. The tempo of your life accelerates now. Expect a rather inconstant, unpredictable, but interesting time.

Sun Sqr Sat

This is a time of considerable frustration and your desires or efforts appear to be thwarted or at least delayed. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much to heart.

Monday, Oct 19, 2009 Sat Sxtil MC

Significant progress in your career pursuits is very likely at this time. Receiving a promotion is one very common way that many people experience the effects of this astrological influence.

Cooperation and assistance from people of stature and authority are also indicated. Government agencies and businesses also cooperate with you, and you are now able to break through bureaucratic red tape and gain the attention and support of large organizations and influential people.

If you own your own business, you may sign a contract with a large concern or negotiate a large project with another party. This contract or agreement will work out very well as it is based on sound principles and a well-established foundation.

You are confident and happy with whatever achievements you have made during your life. This increased confidence and good feelings about yourself assist you in making a good impression on others. This is also a good time for interviewing, acting as a representative for a company, or any other situation that requires you to act in a responsible and dignified manner.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Tuesday, Oct 20, 2009 Mars SSxt Ven

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. It's not enough for you to simply feel loving toward another; at this time you really want to express it and show it physically. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

Wednesday, Oct 21, 2009 Merc Trine Asc

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Mars Conj Merc

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are even inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to "attack" intellectual or mental work.

Thursday, Oct 22, 2009 Sun SSxt MC

Your long-range goals, life direction, or career aims come into focus now. You gain clarity or a stronger sense of purpose, which energizes your efforts to get ahead or move toward what you really want.

Recognition or support from your superiors or others who are in a position to assist you is likely now, especially if you take some initiative.

Friday, Oct 23, 2009 Mars Sxtil Moon

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

Saturday, Oct 24, 2009 Sun Sqr Jup

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Sunday, Oct 25, 2009 Ven Sxtil Sun

Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

Sun Trine Ven

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

Sun Sqr Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Merc Sxtil Ura

You will want a break from the predictability of your usual routine and methods. You're in the mood to experiment and to learn something new. Offbeat or original ideas excite you and you will seek people who can offer you a different way of looking at things. Discovery, inventiveness, and spontaneity are major themes now.

Merc Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

Monday, Oct 26, 2009 Ven SSqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

Tuesday, Oct 27, 2009 Merc SSxt MC

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

Wednesday, Oct 28, 2009 Merc Sqr Jup

Your mind is on bigger issues and long-range plans. You are optimistic and enthusiastic about your ideas, but disinclined to read the fine print or study all the facts, which can result in an error in judgment. Try not to be lax about important details.

Thursday, Oct 29, 2009 Ven Trine Asc

At this time you are inclined to invest your time and money into making your environment more beautiful and comfortable. You may also wish to enhance your personal appearance in some way, such as getting a new hair style or purchasing clothing, cosmetics, and the like. Social gatherings are also very positive for you now.

Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Merc Sqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Friday, Oct 30, 2009 Sun Sxtil Plu

There are opportunities for deep sharing and powerful, meaningful contacts with others, especially people who share common goals or ideals. An opportunity for a leadership role is also likely.

Saturday, Oct 31, 2009 Sun Conj Nep

You feel more lackadaisical now, less focused on mundane tasks, and possibly less energetic as well. Your imagination and fantasy life is very active and you can dream up some very creative ideas. Negatively, you tend to dissipate your energy or to avoid the real world.

Sunday, Nov 1, 2009 Merc Sxtil Plu

You are fascinated by the mysterious now. Unsolved or puzzling problems and the hidden or behind the scenes aspects of a situation interest you most, and you delve and probe until you discover the truth. An interest in psychology or other peoples' secrets comes to the fore. You enjoy spy, mystery, and supernatural stories.

Monday, Nov 2, 2009 Merc Conj Nep

Your thoughts are dreamy, fantastic, and faraway right now. Your imagination and intuition is heightened, which benefits any creative or artistic work you may do. However, your practical reasoning ability and your ability to focus on the here and now are diminished. Your judgment regarding concrete matters is a bit fuzzy at this time, so you may wish to delay making important decisions.

Tuesday, Nov 3, 2009 Moon SSqr Ven

Right now you feel a need for sweetness - perhaps in the form of emotional and physical affection, or even of food. You are apt to be pleasantly self-indulgent.

Wednesday, Nov 4, 2009 Ven Sxtil Ura

This is a time for getting a little loose and wild with friends, going dancing, or doing something out of the ordinary that is stimulating and fun. You meet interesting new people and are more open to people who are quite different from yourself. An opportunity for a romance may arise which is likely to be exciting, though short-lived.

Ven Sqr Sat

Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how

your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value.

Mars Sqr Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Sun Sqr Sun

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

Thursday, Nov 5, 2009 Merc Sqr Sun

There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other "busywork" is on the agenda. A minor but rather tense confrontation is likely.

Jup Conj Asc

You feel confident, optimistic, and have faith in yourself to be able to come forth and be successful. You project yourself with confidence at this time, and you receive a welcome response from others. For example, if you are a writer, you are likely to have your material published at this time; if you are an artist, a successful exhibit of your work may be given; or if you are in sales you may give a successful presentation to a very large group. You receive attention and are now able to reach a wider audience. This is a good time for promoting or advertising yourself, your creative work, or products. The only negative tendencies are the possibility of being overly optimistic and consequently failing in a major undertaking, or being a little arrogant, self-centered, or materialistic.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Friday, Nov 6, 2009 Sat Trine Jup

This is a positive and fortunate time for business pursuits and career goals. Your goals and ambitions are molded into concrete reality at this time, and you have a vehicle for reaching your destination. Assistance can take many forms, such as a pianist finally obtaining a new, better piano to replace the old one, an artist or craftsman moving into a house that provides a better studio or workshop, or an enterprising business person landing a contract to undertake a major project. In one way or another, this is a time when you find ways to implement your dreams. The benefits do not come to you on a silver platter. It is up to you to use the tools and materials that are made available to you. Now you have the chance to do more and advance. Take full advantage of the opportunity and apply yourself energetically. You can carve out a much better life for yourself at this time.

You will feel the desire to make several minor, but significant, adjustments in your work. For example, if you

are engaged in a business activity, you may discontinue some advertising, use new sources for various services that you use, assign new tasks to employees, change advertising to appeal to a new market, make changes in the product line, etc. The worst mistake you can make at this time is to procrastinate and not act on your ideas! At this time you have an excellent sense of balance and proportion, of how to efficiently meet goals and objectives, and you should utilize this sensitivity to improve upon existing situations.

These qualities are evident in your personal life as well. You are likely to clean out your closets, reorganize, and also discover new opportunities for growth and enrichment. You may find a business or agency that is interested in a hobby of yours, or a group of people may express interest in an area that you have a lot of experience with. Do not let opportunities pass you by. This is a harmonious and pleasant time for you, and one which can also bring some especially nice opportunities to you.

Saturday, Nov 7, 2009 Ven SSxt MC

Meeting people that can benefit your career, getting together with colleagues, or getting to know your superiors on a more personal, friendly basis is quite likely at this time. Take advantage of all opportunities to socialize with the people you have professional ties with for the outcome is likely to be quite positive.

Sunday, Nov 8, 2009 Merc Sqr Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Ven Sqr Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Monday, Nov 9, 2009 Ven Trine Ven

Contentment, emotional well-being, and harmony prevail in your personal relationships. At this time you relax and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you.

Ven Sqr Merc

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Tuesday, Nov 10, 2009 Sun Sqr Asc

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

Wednesday, Nov 11, 2009 Merc Sxtil Mars

You are eager to discuss your thoughts and plans with others at this time and you may have a very fruitful brainstorming session, a spirited debate, or a very active meeting with others in which things really get accomplished. You are verbally assertive and can present your own plan or idea quite convincingly.

Thursday, Nov 12, 2009 Moon Conj Mars

Your sexual and aggressive energies are stimulated, and you take the initiative. Emotional outbursts and impatience are also likely. You're in a combative, energetic mood.

Friday, Nov 13, 2009 Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Merc Sxtil Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Ven Sxtil Plu

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

Saturday, Nov 14, 2009 Mars Conj Sun

You experience a burst of energy and are more vigorous, bold, assertive, and impatient at this time. You feel ambitious and capable of doing a lot and meeting challenges successfully. However, if your will is blocked, you become quite angry now. You are less willing to accommodate others and meet people halfway. Your ego-drive and competitiveness are very strong.

Sun Sxtil Mars

Your vitality and courage are strong now and you are eager to meet challenges. You can accomplish a great deal of work, especially if it involves physical effort. If you are active in sports, you will be especially competitive and vigorous now. Self-confidence is high.

Ven Conj Nep

Your romantic imagination is strong now. Dreams of an idealized "true love" or feelings of compassion and oneness with others emerge strongly at this time.

Your perception of people gets rather hazy; you tend to see them through rose-colored glasses. It is best not to make firm commitments at this time.

If you have creative or artistic inclinations, your work will blossom. You can come up with some really lovely, inspiring images.

Sunday, Nov 15, 2009 Merc Conj MC

At this time you are objective and can make some clear decisions about where you are headed or what the next step to achieve your important personal goals should be. Your judgment is sound at this time. You may have an important professional conference or a conversation about your career. This is an excellent time to seek out your superiors or those in a position to help you advance.

Monday, Nov 16, 2009 Sat Sqr Ven

A sobering experience in a love relationship occurs around this time. You may be rudely shown ways in which your attitude and behavior towards a loved one is based on misguided principles. You may discover that for a long time you have been expecting the other person to play a role that fits a concept of yours, but is stifling for the other person. Now you must learn to let the other person express his/her nature more fully, and you must adjust to it. The opposite situation may also occur; you realize that you have been playing a role to meet the expectations of others and you want to be more genuine and have a more genuine relationship with others. You are also likely to discover that you have some "fair weather friends" that let you down when you need them most. You also discover some "real friends" who take an interest in your deeper concerns and interests.

This is also a time when parties and social festivities seem to disappear. You may have a good heart-to-heart talk with someone, but very few jovial, light, carefree and happy times. You need to think about your relationships and attitudes towards love and romance seriously and decide how to handle your current relationship. If you are not involved in a relationship now, then you are thinking seriously about what you want in a relationship, or whether you want one at all. Do your homework well because your ideas and intentions now will strongly affect your decisions later!

Your financial situation may be difficult now also. Some reorganizing is needed and you need to cut out extravagances and waste. This is relatively easy for you to do now because luxurious, expensive, beautiful things have less power over you now than usual. You are searching for something of deep and lasting satisfaction, rather than "skin-deep" beauty. Your usual pleasures do not interest you now, and you can become emotionally depressed. Allow yourself time to get away from the usual demands of your life and engage in quiet, peaceful activities. You will find this refreshing and rejuvenating, and you will come away much clearer about what you really want in love relationships and friendships, and what material possessions are most satisfying and important to you.

Merc Sxtil Jup

You are optimistic, hopeful, and forward-looking at this time. You can see connections and possibilities you may have overlooked before. Now is a time for communicating your enthusiasm, sharing your plans and dreams, and also being more receptive to others' thoughts and points of view. Contracts, negotiations, and business dealings of all kinds are favored now.

Tuesday, Nov 17, 2009 Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Sun Sqr Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Sun Sxtil Sat

Your ability to concentrate and focus on your work is very good now. This is a time to attend to details, take care of practical business, and to make your life more stable and secure. It would be beneficial to consult advisors on investments and long-range plans and to put your affairs in order. Eliminating waste and inefficiency is important to you now.

Wednesday, Nov 18, 2009 Ven Sqr Sun

Your desire for pleasure, ease, and affection is brought to the fore and may interfere with work or complicated situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened. Social gatherings and personal relationships are favored.

Merc Oppos Moon

At this time you have important discussions with women and with people you are (or once were) very close to. You may wish to visit, write, or make a telephone call to someone from your past. Connecting with your roots is the theme now, with an emphasis on seeing the past objectively. Memories and old feelings surface very clearly now.

Plu Oppos Ven

Romance and sexuality are the key issues now. Your sexual drive is particularly strong now, and you are driven by a strong need to achieve a deeper level of fulfillment in your love relationships. At times during this time period you are not able to constrain your compulsive feelings, and you are prone to dispense with reason, logic, rational judgment, ethics, and taboos.

If you are not married or deeply involved with someone, it is likely that a love relationship will begin now. However, because your romantic and sexual drives are so strong, you may allow yourself to become involved

with someone that you find attractive but are not compatible with on an intellectual level and with whom you share few interests and tastes. Try not to settle for this kind of compromise in your love relationships because you will later be faced with the predicament of unraveling the bonds you have formed, which is likely to be more difficult than you would imagine now.

If you are married or deeply involved with someone, then your relationship will undergo some changes now. There may be many changes, but typically, one of the following changes occurs in either or both of you: more demanding and less easily satisfied with the other person, more romantic, more flirtatious, less conventional, and more possessive. Issues of jealousy and possessiveness are likely to arise. The nature of the issues and changes that arise now depends on the changes needed in the relationship. Underlying all of these changes is the need for greater closeness and greater romantic and sexual fulfillment. The emotions and drives that arise now usually arise without any apparent reason. This is a time of compulsive and irrational emotional drives! Avoid the tendency to be secretive. You may try to hide your feelings, repress your feelings, or develop extramarital affairs without your spouse's knowledge. Lying and hiding things from others only builds another layer of complexity onto the complex feelings that you are dealing with, and you will eventually regret your lack of honesty and openness.

Thursday, Nov 19, 2009 Moon Sqr Mars

Your competitive, aggressive, and/or sexual energies are stimulated, and your temper is apt to be aroused also. Patience, especially with family members, is in short supply.

Friday, Nov 20, 2009 Merc Sqr Plu

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

Saturday, Nov 21, 2009 Sun Conj MC

Your career, reputation, and most important personal goals receive a boost now, primarily through your own initiative and willingness to assert yourself. You feel a surge of positive energy.

Superiors or people in authority will also notice you now and can help you immensely, enabling you to fulfill something you are striving for. Public recognition for your work or your unique personal contribution to the world is very possible.

Sunday, Nov 22, 2009 Ven Sqr Asc

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Sat Sxtil Merc

Mental objectivity and concentration are excellent now. You are able to communicate effectively now, especially on subjects that require precise, articulate formulation of principles. Your approach is well-organized,

clearly structured, very matter-of-fact and not very intuitive.

You are able to reach agreement with others regarding rules, regulations, and proper procedures, and, consequently, any organizational meetings at your place of work are likely to run smoothly and concrete decisions can be reached.

This is a time when ambiguous or unclear communication with others can be cleared up and resolved, both in the business world and in your personal life. Take advantage of this opportunity by "setting the record straight" with anyone with whom you have not been able to reach a mutually clear understanding. This is also a good time for receiving advice and assistance from a consultant or expert. The reverse is also true; you may be called upon to consult someone in an area where you have a lot of experience, and the consultation will be very successful.

Monday, Nov 23, 2009 Sun Sxtil Jup

Agreements, contracts, and joining your efforts with others will work out very much to your advantage now. A friend or person in authority may offer help or present an opportunity which will benefit you now or in the future. Also, you will reap rewards later for the generosity and aid you extend to others at this time.

Tuesday, Nov 24, 2009 Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Sun Trine Merc

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

Wednesday, Nov 25, 2009 Sun Oppos Moon

Your feelings, emotional needs, and desires for closeness and a sense of belonging come to the fore now. You give your home, personal relationships, and inner life more attention. Problems you may have been avoiding in these areas are brought into focus.

Thursday, Nov 26, 2009 Ven Sxtil Mars

Romance and flirtations are likely now. You are feeling warm, expressive, and lively. Loving feelings flow between you and the people you meet, especially those of the opposite sex. Friendships are also strengthened at this time. Also, your creativity and desire to make something beautiful is stimulated now.

Friday, Nov 27, 2009 Merc Sxtil Asc

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and

conversations that you initiate are productive at this time.

Saturday, Nov 28, 2009 Ven Sqr Ura

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Ven Sxtil Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Sunday, Nov 29, 2009 Sun Sqr Plu

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

Monday, Nov 30, 2009 Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

Tuesday, Dec 1, 2009 Ven Conj MC

Your personal charm and attractiveness has a positive effect on your career, reputation, or public image. People see you as a loving and lovable person and as someone who is aware of their needs and feelings, which can benefit you at this time. Others are willing to help and cooperate with your aims. Your interest in the arts or in promoting harmony and good will between people is brought out at this time.

Wednesday, Dec 2, 2009 Merc Trine Ura

You experience sudden insights, make discoveries, come up with fresh solutions to old problems, and seek alternatives to the usual routine way of doing things. Your mental processes are speeded up and you move more

quickly now. Try to make room for a lot of spontaneity and flexibility in your schedule at this time.

Ven Sxtil Jup

Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Charitable and philanthropic impulses are stronger now, also, and should be followed with positive action on your part.

Thursday, Dec 3, 2009 Ven Trine Merc

This is a good time to schedule social activities or even business meetings where tact and friendliness would be a plus. You act as a diplomat and harmonizer between people with differing viewpoints. Also, attending cultural events such as an art show or a play is favored. Thoughts of love, an appreciation for beauty, and an aesthetic enjoyment of your surroundings are brought to the fore. A short pleasure trip would also be beneficial now.

Friday, Dec 4, 2009 Mars Oppos Asc

Your relationships have a very competitive, aggressive quality at this time, and conflicts over power and dominance may erupt. You won't compromise yourself to please anyone. Disputes in your marriage or other close partnerships are likely. On the other hand, you may begin a relationship now, boldly taking the initiative to pursue someone you want to be with. You will come on strong to this person, but he or she might just love it!

Ven Oppos Moon

Your feelings, friends, and female relatives figure prominently in your life now. You realize how much you appreciate and need their love and support, and you are particularly affectionate now. You may also initiate a relationship in which you take care of, support, and "baby" someone else.

Sun Trine Sun

Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time.

Saturday, Dec 5, 2009 Moon SSqr Plu

Beware of a tendency to overreact, to go to extremes, or to try to force your intentions on others regardless of the appropriateness of your actions. A minor crisis in the domestic sphere or an emotional confrontation is possible.

Sunday, Dec 6, 2009 Sat Trine Moon

Your daily routine and personal habits are very positive, healthy, and productive at this time. You are able to keep your house in order, accomplish all of your chores, and get your life in good working order. You are likely to make many minor repairs and improvements in your home, land, tools, etc. You catch up on general maintenance and tidy things up. You also find it relatively easy now to alter bad habits you may have, like a poor diet, smoking, indulgence in alcohol, etc. However, this astrological influence is not particularly motivating and you may be a little lethargic at this time (unless other astrological influences indicate otherwise).

Your life feels secure and you feel good about yourself. You feel comfortable with your current situation, and you are emotionally stable, calm, and contented. Your overall judgment and discrimination are good, and you are able to make wise decisions and provide good advice to others. You may decide to make a long-term investment for the benefit of your family at this time that will prove to be a sound, secure investment.

Merc Oppos Ven

This is a favorable time to take a short vacation or pleasure trip, especially to visit people you really enjoy. The tone of this time is light, friendly, and easy. Positive connections are made with others, and you may meet a new friend. You may also want to call or write someone you love, simply to cheer them up or tell them you love them.

Monday, Dec 7, 2009 Ven Sqr Plu

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

Tuesday, Dec 8, 2009 Merc Qucnx Moon

Your sense of perspective and proportion is a bit skewed at the moment. Small problems loom large and details and other minor matters consume a lot of attention and focus. You are apt to be mentally restless, scattered, unable to concentrate on the immediate task at hand, absorbed in something related to the past. A somewhat disconcerting, but only too familiar, interaction with a parent, child, or other family member is likely. Be aware that you may be too stuck in your own point of view or self protectiveness to really hear what they are trying to convey.

Wednesday, Dec 9, 2009 Sun Sxtil Asc

This is a time for being with people and especially giving something of yourself and your talents to others. You want to be seen and noticed. You receive appreciation and a positive response and possibly an opportunity or personal contact which will be quite beneficial.

Thursday, Dec 10, 2009 Merc Trine Plu

There is great depth to your conversations. You find yourself revealing secrets or very private matters, and also asking very penetrating questions of others. Superficial answers don't satisfy you now. This is an excellent time to investigate a complex problem or mystery, look for something that has been lost or hidden, and also to learn more about your own inner depths.

Friday, Dec 11, 2009 Merc Sxtil Nep

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. Go to a movie with a friend (or write your own!). Also, your psychic sensitivity and intuition are heightened at this time. You are more impressionable and open,

but somewhat less precise and clear mentally.

Ven Trine Sun

Relaxation, enjoyment, and pleasure are emphasized now. This is not a time to push yourself or to be involved in activities that require intense competition or a great expenditure of energy. Cooperative, harmonious personal and professional relationships are more important to you at this time. You feel like socializing and being friendly.

Saturday, Dec 12, 2009 Merc Sesqu Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Sunday, Dec 13, 2009 Moon Sqr Sun

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Monday, Dec 14, 2009 Sun Sqr Mars

You know just what you want right now and woe to anyone or anything that gets in your way! You are much more likely to become domineering, pushy, or inconsiderate of others now, so it is a good time for you to do what you need to do by yourself rather than with others. Accidents, mistakes made in haste, or ego conflicts may occur due to your impatience and willfulness. Positively, physical energy is high and you could accomplish a great deal.

Tuesday, Dec 15, 2009 Sun SSqr Nep

Confusion, inability to focus on mundane tasks, poor understanding or miscommunication between yourself and others, and the desire to evade real responsibilities and challenges are negative potentials for you now. You are more sensitive, impressionable, dreamy, or idealistic at this time also.

Wednesday, Dec 16, 2009 Ven Sxtil Asc

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Thursday, Dec 17, 2009 Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

Friday, Dec 18, 2009 Moon SSqr MC

What you feel like doing and your duties versus what you "should" be doing are likely to clash right now. Emotional impulses are very strong, and you are likely to behave in a childlike manner at this time.

Saturday, Dec 19, 2009 Ven Sqr Mars

Tangles in romantic relationships are likely now. Your sexual drive is quite strong, and you may be more concerned with satisfying your own desires than in being sensitive to your partner. All interactions with people of the opposite sex are inclined to be tense right now.

Sunday, Dec 20, 2009 Ven SSqr Nep

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Monday, Dec 21, 2009 Moon Qucnx Mars

You are feeling testy and contentious, which can lead you to rashly say or do something you will later regret. Try not to put yourself into situations which you know from experience try your patience; you will be in short supply now. On the other hand, you may be the target of others' frustrations and anger, whether justified or not, so try not to make their problem your problem by responding tit for tat... a headache or even an accident could result.

Tuesday, Dec 22, 2009 Ven Trine Ura

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine and, because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

Wednesday, Dec 23, 2009 Sun Oppos Ven

You are feeling particularly affectionate now and the company of your love partner or very close friends is important to you. This is not a time for solitary activity. Sharing, harmonizing, and love are the themes now. However, if you are not happy in your personal life, your problems may seem especially pressing at this time.

Thursday, Dec 24, 2009

Plu SSqr Asc

During this time period you reach a critical point in your life and relationships. You want greater intensity and intimacy in your relationships, and you are also inclined to have power struggles with others. You want closeness but you do not want to be dominated or restricted by the other person. You may even try to manipulate others, and secretly take advantage of their weaknesses. In short, a number of conflicting emotions and attitudes arise: you want closeness and intimacy but you do not want to be obligated and restricted by another person; you want fairness in relationships but you can be very unfair yourself, being manipulative or domineering towards others! Try to be honest with yourself. This is a time when many conflicting emotions arise but you need to gain control of your life, and make a firm decision about how to steer your life. If properly handled, this can be a time when you overcome emotional blocks that stem from your childhood and early life, and gain a new, reformed, positive attitude towards life.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Friday, Dec 25, 2009

Sun Qucnx Moon

You are likely to feel vexed, vaguely dissatisfied, or out of touch with yourself, as if you don't know what you want but are fairly certain you don't have it. Unusual food cravings, desires and moods which are distracting or at least tangential to what you would prefer to be focused upon, and/or a strong pull toward your past which interferes with your present, all are quite likely now. You have to strike a balance between your emotional needs and yearnings and your daily life.

Saturday, Dec 26, 2009

Jup Oppos Ura

Spontaneity and freedom are the key issues during this time period. Your mood is very upbeat. You are funny, somewhat eccentric, and you will sometimes act out of character. All of this is simply because you are less inhibited and cautious than usual, and you feel good.

Dry or tedious activities are not for you. You will simply not tolerate a boring time, even if it means being a little rude. You will find something more entertaining to do, and be glad that you did. This is a happy time for you, and you may feel like you have just been let out of prison.

Creative inspirations can come to you now. If you are involved in a mentally creative or artistic area, you can get some really exciting ideas now.

The only negative possibilities are that you can be negligent and careless in handling some of your responsibilities because they are too irksome for you to deal with, and you could overexert yourself in sport, dance, or other enjoyable activity.

Sunday, Dec 27, 2009

Ven Oppos Ven

Your needs for love, companionship, friendship, and sharing are very strong now, and you won't want to be alone or go off to do solitary work. In fact, you feel like relaxing and enjoying the beautiful side of life rather than laboring or concentrating on difficult tasks. A significant development in a close relationship or strong feelings of attraction to someone you encounter are very likely at this time.

Monday, Dec 28, 2009 Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

Tuesday, Dec 29, 2009 Moon Trine Jup

This is a fortunate time for you, emotionally and possibly in other respects also. A woman can act as a benefactor to you in some way. Social activities are favored also.

Wednesday, Dec 30, 2009 Sun Sxtil Nep

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

Thursday, Dec 31, 2009 Ven Trine Plu

You have a special magnetism and attractive power now, and you are feeling intensely loving also. Your relationships, particularly sexual or romantic ones, intensify and have a deep, compelling, urgent quality. Your inner feelings and needs for love and closeness emerge very strongly. You may also channel some of these feelings into creative or artistic work, something that evokes and expresses your deepest self.

Friday, Jan 1, 2010 Ven Sxtil Nep

You are receptive to beauty at this time and want to be surrounded with harmony, beauty, and kindness. Also, you feel tender and gentle toward others, and you want to please or to be of service to them in some way. Some selfless generosity or an effort on behalf of someone in need will make you feel very happy now.

Saturday, Jan 2, 2010 Plu Qucnx Moon

Feelings and emotional issues which you never realized you harbored are apt to be triggered, especially in your female relationships. Acknowledge whatever feelings or sensations well up, no matter how seemingly irrational or inappropriate. While you need not act on them, you need to feel them. This is a healing process if you don't resist or force them down.

Serious health challenges could arise, particularly if your past griefs and wounds have not been properly attended to. A need for nurturing, care, support, and tenderness which has been ignored can manifest as an

illness.

Family relationships or conditions in your home require major work, revisions, or repair. There may be some unsalvageable relationship or situation which will simply need to be relinquished. Damage to or destruction of your home is a possibility, especially if neglect has occurred. Do what you can to rebuild or revitalize your living space.

Sunday, Jan 3, 2010 Sun Qucnx Sun

At this time you may feel out of your element or out of sync with yourself or your surroundings. Interference from others requires adjustment and perhaps sacrifice on your part. What you have to offer or want to do doesn't mesh well with what seems to be necessary. While not a full blown crisis, it is a time of strain and tension, which can be somewhat debilitating to your health. A partial retreat in order not to deplete yourself and your strength is beneficial right now. You may be upstaged by other people or events which occur now.

Monday, Jan 4, 2010 Sun SSqr MC

You are at cross purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause considerable enmity at this time.

Tuesday, Jan 5, 2010 Mars Oppos Asc

Your relationships have a very competitive, aggressive quality at this time, and conflicts over power and dominance may erupt. You won't compromise yourself to please anyone. Disputes in your marriage or other close partnerships are likely. On the other hand, you may begin a relationship now, boldly taking the initiative to pursue someone you want to be with. You will come on strong to this person, but he or she might just love it!

Wednesday, Jan 6, 2010 Merc Qucnx Sun

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

Sunday, Jan 10, 2010 Mars SSqr Ven

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

Monday, Jan 11, 2010 Merc Trine Plu

Tuesday, Jan 12, 2010 Ven Trine Mars

You feel quite amorous and affectionate now and will very much want to share this time with someone you love or at least with congenial company. Your creative or artistic inclinations are also stimulated, and your work in these areas will be especially satisfying and successful at this time.

Sun Trine Mars

You have an abundance of physical energy and self-confidence right now and can take on new projects and challenges with ease. You feel bolder and less dependent on others' affirmation and approval.

Taking a strong stand or striking out on your own in some manner is likely to work out well for you.

Wednesday, Jan 13, 2010 Jup Sqr MC

You attempt to significantly improve your work and career at this time. You may seek new employment or a promotion, or request an increase in your salary. You feel ready and fit for a better situation. A major key in helping you succeed in making a transition is improving your appearance, mannerisms, and attitudes to fit the position that you are striving for. Oddly enough, relatively superficial issues like this can be more important than qualifications, credentials, or talent! Also, be careful at this time to not overshoot the mark. You may attempt a

major improvement in your career and overall life style that is unrealistically grandiose.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Thursday, Jan 14, 2010 Ven Conj Sat

Emotional self-control and feelings of distance and aloneness characterize this time. You are coolly objective about your friends and loved ones and their shortcomings as friends or lovers. You are probably being a bit too critical and hard on them right now. This is also a time for belt-tightening and being very cautious about investments and expenditures. Going on a diet is favored now.

Friday, Jan 15, 2010 Sun Conj Sat

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

Saturday, Jan 16, 2010 Moon Trine Moon

Your rapport and empathy with others is flowing well now. Supportive alliances are formed or strengthened, and family solidarity and kinship ties are emphasized.

Sunday, Jan 17, 2010 Ven Sxtil MC

Recognition or support from your superiors or others who are in a position to assist you is likely now, especially if you take some initiative.

Ven Conj Jup

Happiness and a desire to share your good fortune and joy with others is the theme now. You are feeling generous and expansive and are inclined to give lavish gifts or buy something lovely for yourself that is costly or extravagant. A diet or budget is likely to go out the window right now. As long as you don't overextend yourself, this is a good time to indulge your feelings of kindness towards others and also to be kind and indulgent to yourself.

Wednesday, Jan 20, 2010 Ven Oppos Merc

You are in a mood to relax and enjoy harmonious surroundings. Your family and friends are a source of particular pleasure and satisfaction, and you may wish to treat them or pamper them in some way. Appreciation for your home and a desire to make it more beautiful or comfortable is strong now also.

Friday, Jan 22, 2010 Nep Oppos Ura

Inspiration, eccentricity, and imagination are the key issues for this time period. You are likely to feel the urge to do something completely out of character now. Don't fight the urge. Let yourself be a little "crazy"; this is a good time to break out of your accustomed ways of acting and be more humorous or eccentric.

Your imagination is charged now. Any artistic endeavors are imbued with a new spirit of originality and inspiration. Your thinking is much less conservative and cautious now, and you can tap intuitive and creative resources that will surprise even yourself. Your ability to improvise is especially strong. Don't restrain yourself; break out of the usual constraints to your ingenuity and creativity.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. Your political and social idealism is also stirred, and you may become active in altruistic or idealistic social reform.

Be careful, however, in practical affairs. You find it difficult at times to control your enthusiasm about

progressive and unusual ideas. However, your ideas tend to be less realistic and practical than you realize. In short, business decisions and career decisions tend to be unrealistically optimistic.

Tuesday, Jan 26, 2010 Jup Trine Ven

This is a very pleasant time for you. You have a need to escape the hustle and bustle of daily life, relax, and

collect yourself. Taking a stroll through the woods or visiting a beautiful lake, mountain retreat, or beach appeals to you now. You also enjoy casual activities like strolling through art galleries and markets, buying some art work, or visiting friends.

You are very relaxed, not very aggressive or ambitious and perhaps downright lazy now. If you find yourself struggling at work to maintain your concentration on tasks at hand, then you really should consider taking a few days of vacation time to do the kinds of things mentioned above.

Relationships with loved ones and friends are especially good now. You are able to share openly with others and experience mutual appreciation and respect. The love and good will you share with others may also lead to a pleasant gift or other unexpected benefit.

Beware of a tendency to be too lazy to take advantage of some of the enjoyable and beneficial occasions that are available at this time. It is good to relax and enjoy yourself, but becoming a "couch potato" may not be the best way of doing this!

Wednesday, Jan 27, 2010 Sun Qucnx Plu

Past mistakes, infringements, or secrets come back to haunt you now, but you may feel that your hands are tied in any attempt to rectify these matters. Areas or relationships in which you have misused authority and control cause distress at this time. While direct action to resolve or balance these problems may not be possible, you must be aware of what is going on, lest an unconscious collusion on your part contributes to the situation. Avoid either the victim's or the tyrant's role.

Sunday, Jan 31, 2010 Ven Sesqu Ven

What occurs now makes you more aware of what you need, feel, and want in your relationships. If you are unhappy in your personal life, this is brought out now, and you'll need to face what is causing your dissatisfaction. You also feel amorous and loving and, if your personal life is going well, this is a time to really enjoy and appreciate it.

Monday, Feb 1, 2010 Sun Oppos Sun

This is a time to get others' opinions and feedback about yourself and what you are doing. Relationships of all types are activated now and cooperation, compromise, and adjustments to others' viewpoints are key issues that require your attention. You may come into contact with a person who is especially creative or influential in your life.

Jup Sqr Moon

During this time period you insist on having more time to enjoy the company of friends and family. A family get-together is likely at this time. Your disposition is cheerful, outgoing, and warm, and you have a wonderful time sharing feelings and interests with others. This is a time when you can break down a communication barrier or feeling of distance with a person that you feel you cannot get close to.

If you have been feeling lonely or wish you had more friends, this is an excellent time to get out of your house and meet new people. Join a club or attend a meeting or social event; you will meet people whose company you really enjoy and be glad you went. You need to expand your circle of friends a little now and break out of some old habits that are keeping you caught in a rut.

Your interest in enjoying yourself and having a good time is likely to extend to food as well, and you may put on a few pounds. Of course, it is not healthful to go overboard on rich foods and sweets. On the other hand, dieting at this time is likely to be unsuccessful and this is not a good time to be on a strict weight-reducing program.

Mars Sqr Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Ven Conj Asc

At this time you come across in an appealing, charming, openly affectionate manner which is likely to win you new friends and admirers. You make an excellent first impression now. This is a very favorable time for doing something to enhance your appearance such as getting a hair cut or purchasing new clothing.

Tuesday, Feb 2, 2010 Moon Conj Mars

Your sexual and aggressive energies are stimulated, and you take the initiative. Emotional outbursts and

impatience are also likely. You're in a combative, energetic mood.

Wednesday, Feb 3, 2010 Moon SSxt Plu

You seek emotional depths - a very moving piece of music, an especially intimate, heart-to-heart connection with a friend or loved one, or some emotional thrill. Your feelings are more intense and compelling.

Thursday, Feb 4, 2010 Merc Trine Mars

This is a good time to assert your own needs and desires, to communicate to others what you really want. You are sharp, clear, decisive, and articulate. You can't stand being idle now; you are ready for challenging, intellectual activities and attacking difficult problems on the job.

Friday, Feb 5, 2010 Ven Qucnx Mars

Tensions in an intimate relationship make themselves felt now. You may feel out of sync with your partner, dissatisfied in a way that may be difficult to pinpoint and resolve. Most likely, you are pulled between pleasing your partner and expressing your own desires and needs. Your love rhythms are a bit off. This affects all your relationships but particularly those that are sexual in nature.

In social settings, some awkwardness, inappropriate or excessive affection, or unwanted sexual advances are likely.

Saturday, Feb 6, 2010 Sun Conj Asc

This is a time for you to shine! You have an extra measure of energy and confidence now and will make a strong impression on those in your environment. This is a very good time to go for a job interview, meet the public, or simply go out and be seen. You will be noticed more than usual.

This is also a good time to begin something new, to initiate a relationship or project you may have been considering.

Merc Conj Sat

You have a very realistic and no-nonsense attitude at this time and are rather critical, skeptical, or at the very least, cautious about new ideas. Deep, quiet study and solitary reflection is favored. You are more taciturn and uncommunicative than usual and don't feel very social. If you are with others, you are likely to turn the discussions into something heavy and serious. Frivolity holds no appeal for you now.

Sunday, Feb 7, 2010 Ven Oppos Ura

You are prone to act erratically in your relationships. A sudden infatuation or an impulse to break free or make radical changes in a current relationship is likely. Also, a taste for the unusual and unconventional emerges. You may find yourself enjoying things you never thought you would like.

Monday, Feb 8, 2010 Moon Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Tuesday, Feb 9, 2010 Merc Sxtil MC

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

Wednesday, Feb 10, 2010 Ven Sqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

Merc Conj Jup

This is a time for making long-range plans, seeing the big picture, and thinking about what is really important to you in the long run. The trivial details and business of day-to-day living does not dominate your attention now. Reading books or articles of an inspirational nature or on subjects of personal growth and development is very fruitful now. This is also an excellent time for business functions, negotiations, and communicating with the world at large.

Thursday, Feb 11, 2010 Sun Qucnx Mars

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

Friday, Feb 12, 2010 Merc Oppos Merc

Exchanging information, ideas, and opinions plays an important role in your life now. A significant conversation with someone who has a very different attitude or perspective than your own is likely. Try to be receptive and learn as much as you can from others at this time. Also, mental curiosity or restlessness impels you to get out and about, perhaps take a short trip or visit.

Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Ven Trine Ven

Contentment, emotional well-being, and harmony prevail in your personal relationships. At this time you relax and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you.

Saturday, Feb 13, 2010 Ven Qucnx Merc

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.

Sunday, Feb 14, 2010 Sun Oppos Ura

Relationships go awry or at least take an unexpected turn. The need for more freedom, independence, or novelty on your part, or on the part of someone close to you, may disrupt the status quo in an important relationship. You may also come into contact with someone who is very different from yourself and who challenges, surprises, or upsets you. Expect the unexpected in your relationships!

Ven Sqr Moon

The craving for sweetness and comfort in the form of loving affection or food is strong now. This is a good time to baby yourself and also to spend time with the people who love and appreciate you the most. Also, you are feeling rather tender and softhearted and may do something "maternal" on impulse (such as take home a stray kitten, offer to babysit, buy a gift for your family, etc.).

Monday, Feb 15, 2010 Merc Qucnx Plu

Your plans and ideas are subject to radical revisions, significant changes, and forced adjustments. Something you had counted on may suddenly disappear. You are also apt to hear a totally unsuspected side about someone or something. While possibly distressing, this news nevertheless puts pieces together for you which were missing before. Also, you may be dealing with behind-the-scene matters, subtle political maneuvers, or Machiavellian tactics.

Tuesday, Feb 16, 2010 Merc Sqr Nep

Mental clarity, discrimination, and your ability to separate fact from fiction is diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. Avoid making binding contracts at this time.

Mars Sxtil Moon

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately

and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

Jup Oppos Plu

Power and social influence are the key issues for this time period. Projects and goals that you have been working on come to fruition at this time, and there are opportunities for you to move into a position of greater social influence and prestige. Unfortunately, power conflicts with others are also likely, and success is not guaranteed.

You definitely will make an attempt to move up the social and economic ladder but whether you succeed or not depends on how well you have prepared for this critical time, and how well you are able to cooperate with others as well as favorably impress them. In any event, the end result will not be lukewarm; you will view this time as either one of glorious success or painful defeat. This is your chance to "make it big" and it is up to you to make the most of the opportunity.

Be particularly wary of the tendency to engage in power struggles with others. You may incite opposition from others by coming on too strong and being domineering, one-sided, or fanatical in your approach. A scandal or other form of "bad press" can arise from the turmoil created by people competing greedily to be top dog.

Ven Oppos Plu

An intense emotional or sexual attraction, a very revealing, intimate encounter, or a powerful desire to be close to and share your deepest feelings with someone is very likely now. Emotions and issues in a close relationship that have been brewing beneath the surface for quite awhile come to the surface at this time, possibly in a very disruptive way. All of your relationships intensify and you need to be aware of your tendency to act in a rather compulsive, demanding way towards others.

Sun Sqr MC

You are at cross purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause considerable enmity at this time.

Thursday, Feb 18, 2010

Ven Trine Nep

At this time you are more sensitive to beauty and also to the feelings and needs of others. It is easy for you to give generously of yourself, for you sympathize strongly with other people and spiritual values are more important than material ones at this time.

Merc Oppos Sun

A short trip, or at least a lot of activity and movement, is very likely now. A significant conversation, learning from another person, and getting your own ideas and perceptions across to others is also likely. You may hear from someone who has important information for you or feel a pressing need to write or call someone else in order to bring some matter in the open. Communications of all kinds play an important role in your life now.

Friday, Feb 19, 2010 Ven SSqr Sat

Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value.

Saturday, Feb 20, 2010 Sun Trine Ven

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

Mars Conj Merc

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are even inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to "attack" intellectual or mental work.

Sunday, Feb 21, 2010 Sat Trine Moon

Your daily routine and personal habits are very positive, healthy, and productive at this time. You are able to keep your house in order, accomplish all of your chores, and get your life in good working order. You are likely to make many minor repairs and improvements in your home, land, tools, etc. You catch up on general maintenance and tidy things up. You also find it relatively easy now to alter bad habits you may have, like a poor diet, smoking, indulgence in alcohol, etc. However, this astrological influence is not particularly motivating and you may be a little lethargic at this time (unless other astrological influences indicate otherwise).

Your life feels secure and you feel good about yourself. You feel comfortable with your current situation, and you are emotionally stable, calm, and contented. Your overall judgment and discrimination are good, and you are able to make wise decisions and provide good advice to others. You may decide to make a long-term investment for the benefit of your family at this time that will prove to be a sound, secure investment.

Monday, Feb 22, 2010 Sun Sqr Moon

Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise now, necessitating adjustments and compromises on your part.

A side of you which is usually hidden or in the background is likely to emerge now, and this may be positive or negative.

Merc Conj Asc

Sales, teaching, public speaking, negotiating, or any endeavor that involves giving information to others is favored now. You are clear, articulate, and communicative at this time.

Tuesday, Feb 23, 2010

Ura Sxtil Sat

You are less rigid in your attitudes to others now. Various stereotypes or prejudices that you have are chipped away during this time period. You are likely to have interactions with people of various political persuasions, religious faiths, or life styles that show you that your rigid categories and classifications are not always appropriate. Now is the time when you can become more responsive to actual situations and conditions rather than to your rigid image of them. You are better able to see some good even in the worst people and, on the other hand, to see some bad in people that you idolize. Even if you consider yourself to be a very liberal, unbiased person, you will probably still react negatively to certain classes of people, such as those with opposing political affiliations, conservatives, for example. Now is the time to break down these crystallized attitudes and ideas.

This increased flexibility and responsiveness develops rather easily now, and consequently this is a very positive time. You feel less restricted and confined by circumstances in your life.

Because you are less rigid and dogmatic in your approach now, you are also able to work more effectively with people or organizations that you have had difficulty with before. If you are involved in a relationship where one person feels stifled or dominated by the other, now is a good time to focus energy on resolving this problem and gaining a better mutual respect for each other. This is also a good time for business relations and any interaction with government agencies and organizations. Progress can be made more easily now since there is less bureaucratic inefficiency and more responsiveness to the immediate needs and concerns that require attention.

Jup Trine Nep

You feel a little less ambitious and aggressive than usual, and your attention focuses more on global issues and philosophical topics. The little details of your life seem less important than the overall purpose of life and the ideals by which you live. You feel relaxed and somewhat detached from everyday activities as more abstract and idealistic concerns become more important to you. You are generous and compassionate and are likely to offer your services to charitable organizations. You may also donate money to those in need.

There is a tendency to be lazy and lethargic. You can gain a lot of weight and get out of shape physically. If this occurs, you will find that an inspirational book or movie can motivate you.

Wednesday, Feb 24, 2010

Ven SSqr Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Thursday, Feb 25, 2010

Sun Oppos Plu

You directly confront something that has been hidden, forgotten, or ignored for a long time. Unresolved issues in personal relationships are stirred up and the underlying causes of a painful or problematic aspect of a relationship may be brought to light.

Personal power and control are issues for you now, and if you take too much power (i.e. are manipulative and tyrannical) or too little power (i.e. are overly passive and easily victimized), then you will become embroiled in power struggles with others.

Friday, Feb 26, 2010 Merc Oppos Ura

This time is filled with stimulating discussions about controversial topics, unusual or offbeat ideas, or "crazy" schemes. The tempo of your life increases and may leave you feeling frazzled. Because you are quite restless, you may do or say things in haste that you will regret later.

Saturday, Feb 27, 2010 Sun Trine Nep

At this time you really enjoy art, theater, music, and your own inner world of fantasy. Your imagination is vivid. If you have an interest in spiritual matters, these interests come to the fore now also. The inability to be decisive and a lack of energy or drive is a negative possibility. You can be quite lazy now.

Sunday, Feb 28, 2010 Merc Sqr MC

This is a time for you to speak out about your thoughts or concerns regarding your work or professional matters. Communication with your superiors or with people in authority who are in a position to consider and act on your ideas comes to the fore now.

Monday, Mar 1, 2010 Mars Oppos Jup

Your energy level and your self-confidence are high now. You are full of enterprise and may chafe at the bit if you can not do enough, if your present position doesn't give you enough scope, or if your superiors do not allow you to take initiative and advance as you want to. Also, at this time you tend to overextend yourself or to believe you can do more than you actually can.

Ven Oppos Mars

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation.

Tuesday, Mar 2, 2010 Jup SSqr Sat

Significant changes and opportunities face you at this time but making the correct decision about what to do is not easy. This is a period of critical decisions and transition. A major change in your life can occur now (new job, relocating, ending a long-term relationship or beginning a new one, etc.). In fact, it is not unusual for several important changes of this nature to be occurring. Unfortunately, you find it difficult to decide whether to go along with the new opportunities or even push harder to make changes occur, or whether to try to maintain the old, familiar life style, routines, and surroundings.

One side of you is impatient to make some major changes. You are tired of the same old routine and life style. You want to break free and get things really moving. You feel there is much more to life, and you are not growing

and living as fully as you ought to be. The other side of you is wary of the changes; they may just be pipe dreams and simply lead to considerable stress and disappointment. Underlying all this is the nagging question of what you really value and whether the new opportunities are more worthwhile than your current involvements. Unfortunately, no one can make the decisions for you, and you have to sort things out for yourself.

Clearly, **YOU MUST MAKE SOME CHANGES**. Letting things remain as they are will lead to stagnation. On the other hand, you must be careful that the changes you make will bring the **THINGS THAT YOU REALLY WANT**. For example, if you accept a new job only because it brings more money, but you must sacrifice other benefits of your current life style, then you may find afterward that the increase in income was not worth the sacrifices. If you are not honest with yourself or if you place too much value on things that are really of secondary importance, then you will make the wrong decision.

Another problem for you now is how to meet all of your obligations while having time to do the things you want. Your responsibilities are probably similar to those of most people: to family members, to pay the bills, etc. At this critical time you can find new ways to meet these obligations while allowing yourself more time to do the things you want to do. At the least, you will find that you can rearrange your life and make some significant changes in your daily routine, which are big steps towards leading a more fulfilling life. You may also decide that a more radical change in life style is warranted (new job, relocation, etc.). It is up to you to decide what is really important and how to best balance all aspects of your life. If you are creative, honest with yourself, and willing to go through some adjustments, you will come out much better when this astrological influence is over.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.
